Add fruits and vegetables to your meals with this delicious summer recipe.

Ingredients

- | | |
|---|---------------------|
| 1 small watermelon, preferably seedless | ¼ cup lime juice |
| 2 cups fresh spinach | ¼ cup vegetable oil |
| ½ cup green onions, thinly sliced | 2 teaspoons cumin |
| 1 bunch cilantro OR parsley, chopped | ½ teaspoon salt |

Directions

1. Prepare watermelon by cutting into slices, removing rind and then dicing into 1" cubes.
2. In a large bowl, combine watermelon, spinach, green onions, and cilantro.
3. Drizzle lime juice and vegetable oil over watermelon. Add in cumin and salt and toss salad mixture gently to evenly distribute spices.
4. For best results, chill for 15 minutes before serving.

Making Ahead + Leftovers

Make the dressing ahead of time by combining the lime juice, oil, cumin, and salt, then chill until ready to use. When ready to serve, pour over each serving. Leftover tip: keep the dressing in a separate container in the fridge to keep the spinach fresh for another salad later in the week!

DRINK SMART TO PLAY HARD

- Thirsty? Drink water, low fat (1%) or fat-free milk. Here are other tips:
 - * Make sure your fridge has healthy drinks ready to go. When kids open the fridge and see cool water, they'll grab it
 - * Buy less regular soda, sports drinks, and other sweet drinks
 - * Offer 100% juice in smaller amounts; ½ to 1 cup a day, depending on age
 - * Make water more fun by adding sliced fruit or cucumbers

EAT MORE FRUITS & VEGGIES

- Make half your plate fruits and veggies
 - * Have "Try Day" Fridays by eating a new fruit or vegetable each week
 - * Keep a bowl of clean fresh fruit on the table
 - * Visit a farm or farmers markets
 - * Try fruit and vegetable options at summer meal sites

LIMIT SCREEN TIME

- Make a family agreement to limit your computer, phone, and TV game time to 1-2 hours a day
 - * Don't let kids text the night away! Keep phone chargers in the living room, not the bedroom
 - * Reconnect your family with nature. Discover a forest or park near you: <http://www.fs.fed.us>.

GET ACTIVE

- Get 60 minutes of moderate to vigorous physical activity every day
 - * Bored? Make up games, relay races, or bike, walk, or play soccer
 - * Make up a social event: have a dance or jump rope contest
 - * Take a walk together on summer evenings
