2012 ANNUAL SURVEY OF STATE GOVERNMENT FINANCES

OMB No. 0607-0585: Approval Expires 06/30/2014

Supplemental state government data collection example

We are writing to request information for our Annual Survey of State Government Finances. This annual survey enables the Census Bureau to develop statistical estimates of government revenue, expenditure, debt, and assets for all 50 states. We publish these estimates in summarized format, by Census Bureau category, for all states. The statistics are used by the Bureau of Economic Analysis in that agency's mission to develop the National Income and Product Accounts - Gross Domestic Product (GDP), national income, and the like. The statistics also are used by other Federal agencies, states, and policy makers, to develop a variety of important economic measures.

We would like to obtain copies of the report(s) specified below. The data requested are for your government's fiscal year that ended XXXX.

Name of financial source documents being requested or specified revenue or expenditure items.

Please verify, correct, or add to the following information:

1. Mailing address (top of this page):
2. Telephone Number:
3. Fax Number:
4. E-mail address:

Official mailing labels are enclosed for your convenience in sending the materials to us. If you have any questions about this request, the survey, or the transmission of the files, please contact me at 1-866-820-7210, or via e-mail at: govs.state.finance@census.gov.

We request a variety of reports for this annual survey. Some are specialized, while others are standard (such as annual financial reports). If any of the standard reports we request from your agency are available from an Internet site, you may direct us to the web pages in lieu of providing a hard copy. For any reports so available, we will eliminate this request for future surveys.

We appreciate your continued cooperation in this important annual survey.

The U.S. Census Bureau receives its authorization to conduct this survey from Title 13, United States Code, Section 182. This collection of information has been approved by the Office of Management and Budget (OMB) and given the number 0607-0585. Please note the number displayed in the upper right corner of this screen. Display of this number confirms that we have approval from OMB to conduct this survey. If this number was not displayed, under the Paperwork Reduction Act, we could not request your participation in this voluntary survey. Information provided in this collection tool compiled from or customarily provided in public records are exempt from confidential treatment as cited in Title 13, United States Code, Section 9.

Public reporting burden for this collection of information is estimated at an average of 1 hour per response, including time for gathering the data needed and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: Paperwork@census.gov; use Paperwork Project 0607-0585 as the subject
