Project	Our Project Manager(s)	Other Service Provider (if any)	Dates		

To better assist you and other clients in the future, we need your feedback to evaluate the effectiveness and impact of the services we provided to your company. Your participation is voluntary and your responses are held entirely in confidence.

This survey is underwritten by the Manufacturing Extension Partnership at the National Institute of Standards and Technology (NIST), which provides funding for local manufacturing extension programs throughout the United States and Puerto Rico. Your comments provide us with important information to judge the quality and usefulness of our services.

This questionnaire contains collection of information requirements subject to the Paperwork Reduction Act (PRA). Notwithstanding any other provisions of the law, no person is required to respond to, nor shall any person be subject to penalty for failure to comply with, a collection of information subject to the requirements of the PRA, unless that collection of information displays a currently valid OMB Control Number. The estimated response time for this questionnaire is 10 minutes. The response time includes the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. *The OMB Control No. is 0693-0021*
