Subject: Children's Hospital Collaboration Forum - Brief Survey

Dear Colleagues,

Thank you for participating in our ongoing Children's Hospital Collaboration Calls.

In order to ensure these calls continue to meet your needs in an evolving Ebola response, please complete a very brief survey by clicking on the link below. There are 9 questions and it should take no longer than 5 minutes.

We plan to use the results to determine the frequency, format, and topics of future calls. If you have any questions or concerns, please email us at eocevent3@cdc.gov.

Thank you very much for your time and effort.
