

Children's Hospital Collaboration Forum: A Brief Survey

Children's Hospital Collaboration Forum: A Brief Survey

Thank you for your participation in our children's hospital collaboration calls! In an effort to keep these calls relevant and useful in a changing Ebola response, we'd like your feedback on the format and frequency of the calls as well as future topics. Please complete the survey by February 4th, 2015. Thank you!

~CDC Ebola Children's Task Force

Form Approved
OMB No: 0920-1026
Exp. Date: 07/31/2017

Public reporting burden of this collection of information is estimated to average 5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Reports Clearance Officer, 1600 Clifton Road NE, MS D74, Atlanta, Georgia 30333; ATTN: PRA (0920-1026)

1. Please select the conference calls that your institution has attended (Check all that apply):

- December 8, 2014
- December 22, 2014
- January 12, 2015
- January 26, 2015

2. How often would you like these calls to take place?

- Weekly
- Every other week (This is the current frequency)
- Once a month
- Every other month
- No future scheduled calls, except as needed

3. What is the best time frame for a conference call?

- 9-12pm EST (morning)
- 1-3pm EST (early afternoon - this is the current time frame)
- 3-5pm EST (late afternoon)

4. How have these calls been helpful? (Check all that apply)

- Informed hospital plans and procedures for a PUI
- Informed general hospital preparedness plans
- Informed plans and procedures for a new or existing infectious disease isolation unit (Ebola-specific or non-Ebola specific)
- Increased knowledge of Ebola
- Increased knowledge of CDC's role in the Ebola response
- Increased knowledge of AAP's role in the Ebola response
- These calls have not been helpful

Other (please specify)

Children's Hospital Collaboration Forum: A Brief Survey

Call Format

The next few questions address the format of the conference calls. As a reminder, our current format is a brief update from CDC and AAP, followed by 2 ten minute topical presentations, and then facilitated Q&A.

5. Is the update from CDC and AAP helpful?

- Yes
- No

6. Regarding the speakers, which of these options do you prefer?

- 2 speakers with 10 min each (current format)
- 2 speakers with longer presentations (>10min)
- More than 2 speakers with 10 min each
- More than 2 speakers with longer presentations (>10 min)

7. Regarding the Q&A, which of these do you prefer?

- Less time for Q&A
- More time for Q&A
- The current time allotted for Q&A meets my needs

Future Topics

The next question addresses the topics we plan to cover in future calls.

8. Please check all topic areas that you would be interested in hearing about on future calls.

- The challenges of the cost of PUI assessments and funding for preparedness
- Lessons learned from hospitals that have conducted PUI assessments
- Resources on Ebola for hospitals
- Models used for preparedness planning in hospitals
- Staffing needs
- Parental presence
- Health department collaboration
- Lessons learned
