Evaluation of Quarterly HPV Vaccination Reports

Approved Form
OMB No. 0920-1026
Exp. Date: 07/31/2017

Thank you for your willingness to provide feedback on the quarterly HPV vaccination reports. Because you work directly in your jurisdiction to implement programming to increase HPV vaccination coverage, your opinions are very important to us and will help us improve the content of future reports.

The survey is estimated to take approximately 8 minutes to complete.

***1. In which VFC-enrolled state or city do you work?**

***2. What is your role with the state or city health department?**

Immunization program manager
 Other (please specify)

As of May 2015, CDC has disseminated 3 quarterly HPV vaccination reports (Q1: October 2014, Q2: January 2015, Q3: April 2015). CDC would like to learn more about how the reports have been used in your jurisdiction.

3. Have you used the reports in your jurisdiction to complement your work to increase HPV vaccination coverage?

Yes
 No
 I'm not sure

4. Please rate how much you agree or disagree with the following statements:

	Strongly disagree	Disagree	Neither agree nor disagree	Agree	Strongly agree	We have not used the reports in this way	N/A
We have found the reports to be useful in raising HPV vaccination as a priority issue with our jurisdiction's leadership.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
We have found the reports to be useful in raising awareness about this issue with partner organizations in our jurisdiction.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
We have found the reports to be useful in raising awareness about this issue with clinicians in our jurisdiction.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
We have found the reports to be useful for presentations and meetings.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
We have found the reports to be useful to share via existing communications channels (social media, e-newsletters, mailed newsletters, website).	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
We have found the reports to be useful by creating new communications materials based on information in the report.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
We have found the reports to be useful in informing programmatic strategic planning to increase HPV vaccination coverage in our jurisdiction.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Please use this space for additional comments about how you have used the reports:

Public reporting burden of this collection of information is estimated to average 8 minutes per response. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Please send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to CDC/ATSDR Reports Clearance Officer; 1600 Clifton Rd., NE (MS D-24); Atlanta, GA 30333; ATTN: PRA (0920-1026).

 Exp. Date: 07/31/2017

Each report contains jurisdiction-specific data, recommendations, and resources that change quarterly. CDC would like to understand which sections of the reports you have found to be useful in your work to increase HPV vaccination coverage.

5. Please rate how much you agree or disagree with the following statements:

	Strongly disagree	Disagree	Neither agree nor disagree	Agree	Strongly agree	N/A
Overall, the reports have provided added value to our work.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
The NIS-Teen vaccination coverage estimates for our jurisdiction have been useful in our work.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
The HPV vaccine ordering data for our jurisdiction have been useful in our work.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
The NIS-Teen analysis on missed opportunities in our jurisdiction has been useful in our work (Quarter 1: October 2014).	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
The NIS-Teen analysis on the prevalence of the provider recommendation in our jurisdiction has been useful in our work (Quarter 2: January 2015).	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
The information on 9vHPV vaccine recommendations has been useful in our work (Quarter 3: April 2015).	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
The recommended strategies to increase HPV vaccination coverage have been useful in our work.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
The links to additional resources have been useful in our work.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Please use this space for additional comments about the content of the reports:

6. Do you have any concerns about the reports?

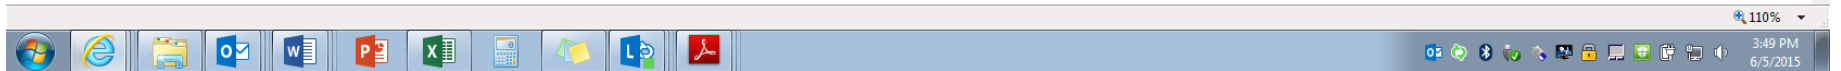

7. Do you have any suggestions to help improve the reports?

8. Are there other topics or data related to HPV vaccination that you would like to see included in future reports? If yes, please describe.

Public reporting burden of this collection of information is estimated to average 8 minutes per response. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Please send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to CDC/ATSDR Reports Clearance Officer; 1600 Clifton Rd., NE (MS D-24); Atlanta, GA 30333; ATTN: PRA (0920-1026).
