- Friday, July 17th, 2015
- I did not attend this meeting (SKIP TO THE END)

Demographics

2) Please indicate your organization (select one):

- State health agency
- Tribal health department
- Local health department
- Territorial health department
- Partner organization
- CDC
- Other (specify) _____

3) Please indicate your position (select all that apply):

- Program Manager
- VFC Coordinator
- AFIX Coordinator
- Vaccine Manager
- IIS Coordinator
- CDC PHA/field assignee
- CDC Headquarters Staff
- Other (specify) _____

4) How long have you been working in your current position?

- < 1 year
- 1-2 years
- 3-4 years
- 5-9 years
- 10+ years

5) How long have you been working in the field of immunizations?

- < 1 year
- 1-2 years
- 3-4 years
- 5-9 years
- 10+ years
- Not applicable – I do not currently work in this field.

6) Have you previously attended the AIM-sponsored Program Managers' Meeting?

- Yes**
- No**
- Not sure/Don't know**

7. Please place an "X" in the column which accurately reflects your level of agreement with the following statements:

As a result of attending the 2015 IAM...	Strongly Disagree	Disagree	Neither Agree nor Disagree	Agree	Strongly Agree
...I have a better understanding of CDC's requirements/recommendations for immunization awardees (i.e., as specified in the IPOM).					
...I learned more about how to implement CDC's immunization awardee requirements/recommendations (i.e., as specified in the IPOM).					
...I was able to establish or strengthen professional relationships with CDC staff .					
...I was able to establish or strengthen professional relationships with non-CDC					

Public reporting burden of this collection of information is estimated to average 8 minutes per response. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Please send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to CDC/ATSDR Reports Clearance Officer; 1600 Clifton Rd., NE (MS D-24); Atlanta, GA 30333; ATTN: PRA (0920-1026).

staff (e.g., awardees, partners).					
I plan to directly apply what I learned from the meeting to my job.					
What I learned at the IAM will improve my job effectiveness.					
The content and learning materials addressed a need or a gap in my knowledge or skills.					
I was able to attend most of the concurrent sessions that were of interest to me.					
In the future, I would attend a similar meeting hosted by CDC.					

8. Was the meeting space was comfortable and conducive to learning?

- Yes**
- No**
- Not sure/Don't know**

IF NO: What could be improved? (Please check all that apply)

- Amount of space available in sessions**
- Temperature**
- Lunch options**
- Other: _____**

9. In your opinion, were some key topics missing from the IAM agenda?

- Yes**
- No**
- Not sure/Don't know**

IF YES, PLEASE SPECIFY: _____

10. Were most or all of the key staff from your program/organization able to attend the IAM?

- Yes**
- No**
- Not sure/Don't know**

IF NO: Please state the primary reason (check only one):

- Budget/travel restrictions
- Conflicts due to personal obligations
- Conflicts due to professional obligations

Other. Specify: _____

11. Please place an “X” in the column which most accurately reflects your answer to the following:

The amount of time spent...	Too much	Just about right	Too little
The amount of time spent by CDC staff to provide technical assistance/training provided was...			
The amount of time spent by CDC staff to provide updates or communicate priorities was...			
The amount of information provided by non-CDC staff (e.g., awardees, partners) was...			
The amount of “free” time (e.g., between sessions for networking, meetings, or breaks) was...			
The overall length of the meeting (Tuesday-Friday, with two full and two half days) was...			
The amount of time spent on...			
...VFC/PEAR was...			
...AFIX was...			
...IIS was...			
...HPV vaccination was...			
...IPOM and the cooperative agreement was...			
...budget			
...pandemic influenza/preparedness was...			
...adult activities was...			
...Vaccine management/Spend plan/VTrckS was...			
...School coverage and exemptions was...			
...Vaccine storage and handling was...			
...Communications strategies was...			

12. What did you like most about the IAM?

13. What did you like least about the IAM?

Public reporting burden of this collection of information is estimated to average 8 minutes per response. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.
