Evaluation of June 2, 2016 "How Data Visualizations Can Improve Public Health Decisions and Actions" Workshop

Form Approved
OMB No: 0920-1026
Exp. Date: 7/31/2017

Public reporting burden of this collection of information is estimated to average 5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Reports Clearance Officer, 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333; ATTN: PRA (0920-1026)

Evaluation of June 2, 2016 "How Data Visualizations Can Improve Public Health Decisions and Actions" Workshop

* Required

1. Which presentations and sessions did you attend? *

Please check all presentations/sessions you attended.

- "Welcome and Overview" by Dr. Josh Schnell and Dr. Robin Wagner
- Keynote Speech "Visualizing Data to Improve Public Health Decision Making in Emergencies" by Dr. Stephen Redd
- "Influenza Surveillance and Response: Visualizing for Situational Awareness and Risk Assessment" by Dr. Daniel Jernigan & Ms. Lynnette Brammer
- "Autism in Numbers and Stories: Lessons Learned From Implementing Data Visualization for Policymakers" by Dr. Kim Isett
- "Using Social Media and Data Science to Enhance Public Health Surveillance" by Dr. Nab Dasgupta & Dr. Dimitrios Koutsonanos
- "You've Got the Power: Using Atlas to Understand, Map, and Graph CDC Data on HIV, Viral Hepatitis, STD, and TB" by Dr. Kim Elmore & Mr. Gustavo Aquino
- "Two Different Approaches to Involving Users in the Incorporation of Data - Visualization in Decision-Making Workflows" by Dr. Josh Schnell
- Final Wrap Up and Group Discussion

Please answer the following questions about the overall workshop.

10. Overall, how satisfied were you with the workshop? *

| | | | | | | |
|----------------------|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|------------------|
| | 1 | 2 | 3 | 4 | 5 | |
| Not at all satisfied | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | Highly satisfied |

11. Overall, how relevant to your work did you find this workshop? *

| | | | | | | |
|---------------------|-----------------------|-----------------------|-----------------------|-----------------------|-----------------------|-----------------|
| | 1 | 2 | 3 | 4 | 5 | |
| Not at all relevant | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> | Highly relevant |

12. Was the length of the workshop too long, too short, or just right? *

- It was too long
- It was too short
- It was just right
- Other : _____

13. What did you like most about the workshop?

Your answer

14. How could the workshop have been improved?

Your answer

15. For which reasons did you want to attend this workshop? *

Choose all that apply.

- I wanted to learn more about data visualization methods.
- I wanted to learn what other work units or organizations are doing with data visualization tools or programs.
- My work unit currently does not have a visualization tool or program, but is thinking about developing one.
- My work unit has a visualization tool or program, but wants to improve or expand it.
- Other: _____

16. What actions, if any, would you like to see as a result of this workshop? *

Please select all that apply

- Create a workgroup focused on data visualization
- Conduct future workshops on data visualization
- Provide resource materials (for example: a guide on 508 Compliance)
- Provide future trainings
- None
- Other: _____

17. Please choose the best answer below that describes the degree to which your work unit is involved with visualization tools: *

Please choose only one answer.

- My work unit does not currently have a web-based data visualization tool, and has no plans to develop one.
- My work unit does not currently have a web-based data visualization tool, but wants to develop one.
- My work unit has a web-based data visualization tool, but wants to make moderate to major improvements to it.
- My work unit has a web-based data visualization tool, and wants to make minor improvements to it.
- My work unit has a web-based data visualization tool, and does not think improvements are need (i.e., is happy with it).
- Not applicable - my work unit does not have data to visualize.
- Other : _____

18. How will you apply what you learned in this workshop to your own work or the work of your unit? If not applicable to your work or your unit's work, please indicate below.

Your answer

19. Do you have any other comments or feedback?

Your answer

Organization Affiliation (Optional)

20. What is your organizational affiliation?

Optional

- CDC
- Other : _____

21. If you are a CDC employee or CDC contractor, to which CIO are you affiliated?

Optional

- CGH
- CSELS
- NCBDDD
- NCEH/ATSDR
- NCEZID
- NCHHSTP
- NCHS
- NCIPC
- NCIRD
- NIOSH
- OD
- OID

- ONDIEH
- OPHPR
- OPHSS
- OSTLTS
- Other : _____
