Public reporting burden of this collection of information is estimated to average 60 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Reports Clearance Officer; 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333; ATTN: PRA (0920-0735)

CDC's National Center for Immunization and Respiratory Diseases (NCIRD) has issued this customer satisfaction survey of the Vaccine Order Management Contact Center (referred to hereafter as the Contact Center) to measure your satisfaction with the service and support provided by the Contact Center Customer Service Representatives.

We appreciate your feedback and request that each awardee organization submit one response on behalf of all awardee office staff members who use the Contact Center, based on your communication with the Contact Center over the past year. Your responses will help us better understand what you need so we can continue to enhance services and support available to you through the Contact Center.

We suggest that you schedule a brief meeting with staff members who use the Contact Center so you can work together to compile answers for submission. To facilitate a group discussion with all staff members in your office who use the Contact Center, we are including a PDF version of the data collection instrument for your reference. Once your office has decided the answers to all questions, please complete and submit the survey online using the Survey Monkey link. We ask that you submit your responses no later than 5 p.m. ET on Friday, September 26, 2014.

If you have any questions about this survey, please contact Julie Orta, Public Health Analyst, at JOrta@cdc.gov or 404-639-8217.

Thank you for your participation.
