Preparing Healthcare Workers to Work in Ebola Treatment Units (ETUs) in Africa 3-Month Follow-Up Training Evaluation

INSTRUCTIONS: Thank you for participating in CDC's Preparing Healthcare Workers to Work in Ebola Treatment Units (ETUs) in Africa training course. This follow-up course evaluation is part of our effort to assess the quality and effectiveness of the training and to determine how helpful the training was to those working in an ETU. Your feedback is invaluable in assessing how having completed this course affected your work in the ETU and how the course might be improved. It will take about 10 minutes to complete the evaluation, and it must be completed all at once. The evaluation is anonymous. Results will be compiled and presented in aggregate form only.
