

Preparing Healthcare Workers to Work in Ebola Treatment Units (ETUs) in Africa: Training Toolkit Evaluation Survey

Welcome to the Evaluation Survey for *Preparing Healthcare Workers to Work in Ebola Treatment Units (ETUs) in Africa: Training Toolkit*.

We recommend that this survey be completed by the primary person(s) who led or managed the trainings which were developed using the materials in this toolkit. Only one survey should be completed by each person or organization.

[Begin Evaluation](#)

Public reporting burden of this collection of information is estimated to average 14 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB Control Number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Reports Clearance Officer, 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333; ATTN: PRA 09201026.

Instructions

While you are completing this evaluation, please use only the "Next" and "Previous" buttons found at the bottom on each screen. **DO NOT use your browser's back and forward buttons.** If you accidentally click your browser's navigation button, you may be able to continue pressing the F5 key (Windows), command + R keys (Mac) or by refreshing the web page.

You may exit this evaluation before completing it by clicking on the "Stop" at the bottom of each page. When you are ready to resume the evaluation, please click the link you received in the evaluation invitation email. You will be able to resume the evaluation where you left off.

Which of the following toolkit items did you or your organization use?

(Select all that apply)

- PowerPoint Slides
- E-lectures (audio with PowerPoint Slides)
- Tabletop Exercises
- ETU Practical Exercise Materials
- Other items, please specify:
- None of the materials in the toolkit were used
