

Know someone who would like to receive \$40 for providing their opinion?

- The provider education committee of the National Chlamydia Coalition (NCC) is seeking health care providers (MD's, NP'S, PA's,) to participate in an assessment of provider resources, tools, and webpage. The NCC is sponsored by the Centers for Disease Control and Prevention.
- The assessment involves completing a short case study using the resources found on the NCC provider webpage and participating in one telephone-based focus group. Total time commitment is approximately 2 hours for the a case study and focus group.
- Focus groups will be conducted by a professional facilitator in **DATE TBD**. Questions addressed in the focus group will center on the provider's personal experience with searching for information on the NCC website and providing suggestions for improving the resources and website.
- If interested please send contact information to Susan DeLisle, project director, @ Sdelisle@prevent.org. Contact information needed:
 - Name
 - Email address
 - Telephone number
 - Type of provider, type of practice, years in practice
- Once a provider has indicated interest in participating, they will be contacted by the project director, or designee, with further details about logistics, timing, and to address questions.
