TOTAL			

THE NUMBER OF DEATHS is the number of certificate received by your office during the reporting period, regardless of date of death. The count includes all certificates of deaths occurring in your city regardless of the residence of the deceased. It does not include fetal deaths (stillbirths).

FAX YOUR REPORT TO CDC to 1 (800) 767 - 8542 at the close of work every day

Public reporting burden of this collection of information is estimated to average 12 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Information Collection Review Office, 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333; ATTN: PRA (0920-0004).
