

Attachment 6g. NY Interview questionnaire, licensed anglers

In response to the comments sent via email and comments embedded in this document, we have prepared the following responses.

Question #	Variable	Response
2	Email address	We asked for e-mail on the screening questionnaire for anglers, but we n ask again for confirmation, given the need for exact spellings on e-mails
10	Inclusion of "other" for race	The questionnaire is accomplished only via personal interview
14	Place of birth	This question was eliminated for the licensed angler questionnaire
15-18	Education and occupation	We agree and have moved the section to the end of the question. The se has been incorporated with the last section of the survey and retitled "Education, occupation, and income". The corresponding script has been revised to reflect the changes.
55	Red meat	The card provided to the participant with specifics for the question includ pork and game

Attachment 6g. NY Interview questionnaire, licensed anglers

**New York State Biomonitoring of the Great Lakes Populations
Interview Questionnaire for Licensed Anglers**
