Personal Assessment of Intimacy in Relationships (PAIR) (CASI)

Instrument Guidelines for Participant and Respondent IDs:

PRENATALLY, THE **P_ID** IN THE MDES HEADER IS THAT OF THE PARTICIPANT (E.G. THE NON-PREGNANT WOMAN, PREGNANT WOMAN, OR THE FATHER).

POSTNATALLY, A RESPONDENT ID WILL BE USED IN ADDITION TO THE PARTICIPANT ID BECAUSE SOMEBODY OTHER THAN THE PARTICIPANT MAY BE COMPLETING THE INTERVIEW. FOR EXAMPLE, THE PARTICIPANT MAY BE THE CHILD AND THE RESPONDENT MAY BE THE MOTHER, FATHER, OR ANOTHER CAREGIVER.

THEREFORE, MDES VERSION 2.2 AND ALL FUTURE VERSIONS CONTAIN A **R_P_ID** (RESPONDENT PARTICIPANT ID) HEADER FIELD FOR EACH POST-BIRTH INSTRUMENT. THIS WILL ALLOW ROCs TO INDICATE WHETHER THE RESPONDENT IS SOMEBODY OTHER THAN THE PARTICIPANT ABOUT WHOM THE QUESTIONS ARE BEING ASKED.

A REMINDER:
ALL RESPONDENTS MUST BE CONSENTED AND HAVE RECORDS IN THE PERSON, PARTICIPANT, PARTICIPANT_CONSENT AND LINK_PERSON_PARTICIPANT TABLES, WHICH CAN BE PRELOADED INTO EACH INSTRUMENT. ADDITIONALLY, IN POST-BIRTH QUESTIONNAIRES WHERE THERE IS THE ABILITY TO LOOP THROUGH A SET OF QUESTIONS FOR MULTIPLE CHILDREN, IT IS IMPORTANT TO CAPTURE AND STORE THE CORRECT CHILD **P_ID** ALONG WITH THE LOOP INFORMATION. IN THE MDES VARIABLE LABEL/DEFINITION COLUMN, THIS IS INDICATED AS FOLLOWS: **EXTERNAL IDENTIFIER: PARTICIPANT ID FOR CHILD DETAIL.**

TS01000/(TRAINING_1). Now we want to teach you how to use complete a computerized interview. The interviewer will be here to answer any questions you have. The computer will ask you a series of questions. Some people may consider some of the following questions to be

personal, so you will answer these on your own in complete privacy. Like all other questions that you have answered today, your responses will be kept confidential. If you are not sure about an answer, choose the best option. Answer each question by selecting your response on the screen. After you answer a question, go to the next question by clicking the button marked NEXT in the lower right-hand corner of the screen. Try clicking that button now to move on.

PARTICIPANT INSTRUCTIONS
- Touch the box beside your answer.
- Then touch the NEXT button to go to the next page.
- Touch the BACK button to go back to the previous page.
- Press the HELP button to get helpful tips for completing the questions.

TS02000/(TRAINING_2). If you want to go back and change your answer to an earlier question, click the button marked BACK in the lower left-hand corner of the screen. Touch the BACK button now to return to the last screen. Then touch the NEXT button to return to this screen and again to move on.

TS03000/(TRAINING_3). These first questions are practice questions and are not part of the study. These practice questions will help you learn how to complete this computerized interview.

If you want to change your answer to a multiple choice question, you may simply select another option.

What is your favorite season of the year?

Label	Code	Go To
Spring	**1**	
Summer	**2**	
Fall	**3**	
Winter	**4**	

TS04000/(TRAINING_4). Another type of question requires a number response. Answer by pressing the number buttons on the keypad.

If a question asks you to enter a number onto a keypad, and you would like to change your answer after you have already entered a number, you can select the "CLEAR" button to erase the answer and enter your new response.

Answer the following question. Then try selecting "CLEAR" and entering your answer again.

How many hours did you sleep last night?

|___|___|
HOURS

TS05000/(TRAINING_5). If you skip a question for any reason, the computer will say you didn't answer the question, and will ask whether you really meant to answer, would rather not answer, or don't know the answer. If you choose, I really meant to answer, the screen will go back so you can answer the question.

PROGRAMMER INSTRUCTIONS

INSERT SCREENSHOT OF REDO SCREEN

TS06000/(TRAINING_6). Sometimes you will be asked a question that refers to a particular time period like the last 30 days. Be sure to think only about the specific time period asked in that question.

TS07000/(TRAINING_7). If you answer a question with a response that is not valid, a message will appear on the screen. For example, the question below asks about your activities during the last 90 days. If your response was greater than 90, the following message would appear.

How many days in the past 90 did you ride the bus?

|___|___|
NUMBER OF DAYS

PROGRAMMER INSTRUCTIONS

INSERT SCREENSHOT OF HARD EDIT: The number of days must be between 0 and 90. Please enter the number of days.

TS08000. Some questions may ask you to consider the contrast between one time or situation and another time or situation. Think of the statement in the first situation and answer it according to that situation, then think of the same statement in the other situation. For this type of question, you will be putting down two answers, which may be different or may be the same. For example, the question below asks about the number of children you want or hope to have, and how that may have changed since you were young:

How many children did you want or hope to have . . .
