

Request for Approval under the “Generic Clearance for the Collection of Routine Customer Feedback” (OMB Control Number: 0990-0379)

TITLE OF INFORMATION COLLECTION: Regional Resource Network Program Questionnaire (RRNP)

PURPOSE: The RRNP Questionnaire is a brief, primarily quantitative questionnaire that will be distributed to all partners identified by the RRCs in each region. This preliminary questionnaire will contribute to the RRNP’s understanding of partner perceptions of the RRNP and the role of the RRNP in working to foster coordination and collaboration to address HIV-related health disparities. The questions focus on:

- The role of the RRNP in assisting partners to develop new networking relationships and connect them to resources for enhancing their HIV-related work;
- Whether the partners feel that the RRNP is successful in fostering collaboration to address HIV-related health disparities among racial/ethnic minorities;
- Whether and how the RRNP has played a role in assisting partner organizations in meeting their goals;
- Suggestions for additional RRNP activities and other organizations that could be potential partner for the RRNP.

Governmental agencies, non-government agencies, and community-based organizations (CBOs) in the 10 public health service regions of the U.S.

To assist review, please provide answers to the following question:

Personally Identifiable Information:

1. Is personally identifiable information (PII) collected? Yes No
2. If Yes, will any information that is collected be included in records that are subject to the Privacy Act of 1974? Yes No
3. If Yes, has an up-to-date System of Records Notice (SORN) been published? Yes No

Although we will use email addresses to invite partners to take the survey, personally identifying information (PII) will not be recorded or stored as part of the questionnaire. Business PII will be used only to administer the questionnaire (i.e., send the survey link to potential respondents), and will be stored separately with no information that links partners to their responses. The questionnaire will be offered through a secure Website, SurveyMonkey™.

Gifts or Payments:

Is an incentive (e.g., money or reimbursement of expenses, token of appreciation) provided to participants? Yes No

BURDEN HOURS

Category of Respondent	No. of Respondents	Participation Time	Burden
Governmental agencies, nongovernmental agencies, CBOs	750	15 min	188 hours
Totals	750		188 hours

FEDERAL COST: The estimated annual cost to the Federal government is: \$300 for a one-year subscription for SurveyMonkey, which will be used to administer the questionnaire.

If you are conducting a focus group, survey, or plan to employ statistical methods, please provide answers to the following questions:

The selection of your targeted respondents

1. Do you have a customer list or something similar that defines the universe of potential respondents and do you have a sampling plan for selecting from this universe?
 Yes No

If the answer is yes, please provide a description of both below (or attach the sampling plan)? If the answer is no, please provide a description of how you plan to identify your potential group of respondents and how you will select them?

To establish the RRNP questionnaire sample, the Coordinator of each region will be asked to enter their entire network of partners (name of organization and email address of main organizational contact) into an excel spreadsheet. The evaluation team will collect the spreadsheets and use them to create a list of emails from which the RRNP Evaluation Team will send the invitation to participate in the RRNP questionnaire. Once the spreadsheets are submitted, neither the RRCs nor the direct RRNP staff who interact with partners will have any access to or knowledge of which partners choose to complete the questionnaire or the responses of any of those partners.

Administration of the Instrument

1. How will you collect the information? (Check all that apply)

Web-based or other forms of Social Media

Telephone

In-person

2. Will interviewers or facilitators be used? Yes No
