Evaluation Process – These are standard requirements that HUD will expect every program manager receiving a grant to do as part of their project management.

- An evaluation process will be part of the on-going management of the program.
- Comparisons will be made between projected and actual numbers for both outputs and outcomes.
- Deviations from projected outputs and outcomes will be documented and explained.
- Analysis of data to determine the relationship of outputs to outcomes; what outputs produce which outcomes.

HUD Will Use The Following Management Questions To Evaluate Your Program

1. How many jobs were created as result of new businesses?
2. How many new businesses were created?
3. How many persons purchased a home?
4. How many homes were made lead safe?
5. How many persons obtained employment?
6. What was the amount of funds leveraged from grants?
7. What was the magnitude of improvements to public facilities?
8. How many persons completing training? and what type of training?
9. How many Micro-enterprises were established as a result of technical assistance?
10. How many Micro-enterprises were stabilized as a result of technical assistance?
11. How many Micro-enterprises were expanded as a result of technical assistance?
12. How many Micro-enterprises were established as a result of financial assistance?
13. How many Micro-enterprises were stabilized as a result of financial assistance?
14. How many Micro-enterprises were expanded as a result of financial assistance?
15. How many new affordable housing units were created?
16. How many commercial facilities were added through construction?
17. How many commercial facilities were added through rehabilitation?
18. How many offices were added through construction?
19. How many offices were added through rehabilitation?

HUD Master Models

Hispanic-Serving Institutions Asst. Communities

20. How many public facilities were added through construction?
21. How many public facilities were added through rehabilitation?
22. How much housing was added through construction?
23. How much housing was added through rehabilitation?

Carter-Richmond Methodology

The above Management Questions developed for your program are based on the Carter-Richmond Methodology¹. A description of the Carter-Richmond Methodology appears in the General Section of the NOFA.
