**FEDERAL COMMUNICATIONS COMMISSION****Information Collection Being Reviewed by the Federal Communications Commission Under Delegated Authority, Comments Requested**

**AGENCY:** Federal Communications Commission.

**ACTION:** Notice; request for comments.

**SUMMARY:** As part of its continuing effort to reduce paperwork burden(s) and as required by the Paperwork Reduction Act (PRA) of 1995 (44 U.S.C. 3501-3520), the Federal Communications Commission (FCC) invites the general public and other Federal agencies to take this opportunity to comment on the following information collection(s). Comments are requested concerning: Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; the accuracy of the Commission's burden estimate(s); ways to enhance the quality, utility, and clarity of the information collected; ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology; and further ways to reduce the information burden for small business concerns with fewer than 25 employees.

The FCC may not conduct or sponsor a collection of information unless it displays a currently valid OMB Control Number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the Paperwork Reduction Act (PRA) that does not display a valid OMB Control Number.

**DATES:** Written Paperwork Reduction Act (PRA) comments should be submitted on or before July 11, 2014. If you anticipate that you will be submitting PRA comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the FCC contact listed below as soon as possible.

**ADDRESSES:** Submit your PRA comments to Nicholas A. Fraser, Office of Management and Budget (OMB), via fax at: (202) 395-5167 or via the Internet at [Nicholas.A.Fraser@omb.eop.gov](mailto:Nicholas.A.Fraser@omb.eop.gov) and to Leslie F. *Nature of Extent of Confidentiality:*

The Commission is not requesting that the respondents submit confidential information to the FCC. Respondents may, however, request confidential treatment for information they believe to be confidential under 47 CFR 0.459 of the Commission's rules.

*Needs and Uses:* On August 4, 1998, the FCC released a *Report and Order* (R&O), Examination of Current Policy Concerning the Treatment of Confidential Information Submitted to the Commission, CG Docket No. 96-55. The R&O included a Model Protective Order (MPO) that is used, when appropriate, to grant limited access to information that the Commission determines should not be routinely available for public inspection. The party granted access to the confidential information materials must keep a written record of all copies made and provide this record to the submitted of the confidential materials upon request. This approach was adopted to facilitate the use of confidential materials under an MPO, instead of restricting access to materials. In addition, the FCC amended 47 CFR 0.459(b) to set forth the type of information that should be included when a party submits information to the Commission for which it seeks confidential treatment. This listing of types of information to be submitted was adopted to provide guidance to the public for confidentiality requests.
