NOTICE TO APPLICANTS

The Federal Communications Commission uses information collected in FCC Form 175 in determining whether applicants are legally, technically, and financially qualified to participate in Commission auctions for licenses or permits. In addition, if an applicant applies for status as a particular type of auction participant pursuant to Commission rules, the Commission uses the information in determining whether the applicant is eligible for the status requested. The Commission's auctions, including the collection of information to determine applicants' qualifications to participate pursuant to Commission rules and requirements, are designed to limit the competitive bidding to qualified applicants; to deter possible abuse of the bidding and licensing process; and to enhance the use of competitive bidding to assign Commission licenses and permits in furtherance of the public interest.

The Commission estimates that each response to this collection of information will take on average 1.5 hours. This estimate includes the time to read the instructions, look through existing records, gather and maintain required data, and actually complete and review the form or response. If you have any comments on this estimate, or on how we can improve the collection and reduce the burden it causes you, please write the Federal Communications Commission, AMD-PERM, Washington, D.C. 20554, Paperwork Reduction Project (3060-0600). PLEASE DO NOT SEND COMPLETED APPLICATION FORMS TO THIS ADDRESS.

The information collected in FCC Form 175 is required to be filed by all applicants to participate in a Commission auction, pursuant to Section 309(j)(5) of the Communications Act and section 1.2105 of the Commission's rules. See 47 U.S.C. § 309(j)(5), 47 C.F.R. § 1.2105. Information collected in a submitted FCC Form 175 will be available for public inspection.

You are not required to respond to a collection of information sponsored by the Federal government, and the government may not conduct or sponsor this collection, unless it displays a current valid OMB control number with this notice. This collection has been assigned OMB control number 3060-0600.

THE FOREGOING NOTICE IS REQUIRED BY THE PAPERWORK REDUCTION ACT OF 1995, PUBLIC LAW 104-13, OCTOBER 1, 1995, 44 U.S.C. SECTION 3507.
