

NRC Grantee Survey Reminder
Telephone Script

1. Hello, this is _____, with the Nuclear Regulatory Commission's Education Grants team. I'm calling about a survey that was sent to you as a grantee under our Nuclear Education Grant Program. Our records show that we sent the survey to you by email on (insert date). I just want to confirm that you received the survey.

A. Yes **Skip to 3**

B. No **Go to 2**

2. I'm sorry you didn't receive the survey. I can re-send it to you. I'd like to confirm your email address so that we can ensure you receive it.

This survey will provide important information to the NRC about how NRC Education Grant monies are being used and help us determine how to best use the funds in the future. The input of current grantees is very important in providing insights into program outcomes.

3. Please complete and return the survey as soon as possible. This survey will provide important information to the NRC about how NRC Education Grant monies are being used and help us determine how to best use the funds in the future. The input of current grantees is very important in providing insights into program outcomes.

4. I look forward to receiving your completed survey. Thank you for your time.
