A National WIC Study

Measurement Card

Measurement Card Instructions

This child is taking part in the WIC Feeding My Baby Study sponsored by the United States Department of Agriculture (USDA), Food and Nutrition Service. The purpose of this study is to understand health, growth, and feeding practices of children between birth and 36 months of age. To study growth, we are obtaining the height and weight measurements for these children during this critical development period. For any questions, please call [TOLL FREE NUMBER].

Please complete and return this postage-paid card to Westat by mail. The parent/caregiver will receive an incentive for bringing the child in for measurements when the card is received by Westat.
