Key Stakeholder Telephone Recruitment Script

Hello,

Hi, my name is (name) and I am an interviewer from NORC at the University of Chicago.

You have been identified as a key leader in HIV prevention in (name of city).

We are doing a brief survey as part of a research study that is being sponsored by the Centers for Disease Control and Prevention (CDC). We want to learn what organizations involved in HIV prevention in this community know about a new method for preventing HIV infection.

The survey will take about 20 minutes. We are not offering you any money or gifts to take this survey.

Can we schedule a time for you to complete the survey in person?

[If YES, then ask] Ok, great. What is the best day and time for you?

[If NO, then say] Ok. Thank you very much for your time.
