

Attachment H: Screening Instrument for Ashkenazi Jewish Young Women

Public reporting burden of this collection of information is estimated to average 3 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Reports Clearance Officer; 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333; ATTN: PRA (0920-0800)

Screening Instrument: Ashkenazi Jewish Young Women (for recruiters in New York only)

Hello, my name is _____ and I am calling from _____ a professional market research firm. I am not selling anything. We're currently conducting focus groups for the Centers for Disease Control and Prevention.

Information from these discussions will be used to develop educational materials for young women about a health issue. May I ask you a few questions to see if you are eligible to participate in this project? This will take less than five minutes. **[IF RESPONDENT INDICATES THAT THIS IS NOT A GOOD TIME, SCHEDULE A CALL BACK TIME]**
