

Introduction

Public reporting burden of this collection of information is estimated to average 5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Information Collection Review Office, 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333; ATTN: PRA (0920-XXXX).

Thank you for your participation in the "Ready CDC" Workshop. CDC will use the results of this survey to inform future "Ready CDC" workshops and seminars. We appreciate your candid, honest responses. All information you provide will remain confidential; your identity will never be associated with your responses. Data from the survey will only be reported in the aggregate form. This survey should take approximately 5 minutes to complete.
