Conditions of Use and Logon

This is a U.S. Federal Government system and shall be used only by authorized persons for authorized purposes. Users do not have a right to privacy in their use of this government system. System access, activity, and information stored or transmitted may be monitored for adherence to acceptable use policy. Users of this system hereby consent to such monitoring. Improper or illegal use detected may result in further investigation for possible disciplinary action, civil penalties, or referral to law enforcement for criminal prosecution. This system contains non-public information that must be protected from unauthorized access, disclosure, sharing, and transmission violation of which can result in disciplinary action, fines, and/or criminal prosecution.

By logging into this application, I understand and agree to use the application in the manner in which it is intended. I agree to keep my user ID or password secured, not allowing others access. Unauthorized access to information or information systems is prohibited. Failure to comply with these rules will result in loss of access.

Funded FOA users: Type the User ID and password assigned to you for this application.

- Passwords are case-sensitive.
- For security reasons, a period of 45 or more minutes of inactivity requires that you log in again.
- After 5 unsuccessful attempts to log in, your account will be temporarily locked for 15 minutes.

Collaborative Funding Opportunity Announcement OMB Information:

Form Approved: OMB 0922-0090
Expiration Date: 11/30/2013

OMB Control Number: 0922-0090
OMB Approval Date: 07/14/2010

Public reporting burden of this collection of information is estimated to average 6 hours per response (return report), including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Reports Clearance Officer, 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333; ATTN: PRA (9520-0842)

However, 60 of the 86 PWD are in smoking cessation treatment for a rate of 69.77%.</p> <p>*Facilitating Factors of Success: The diabetes program educates the public on tobacco smoking and usage cessation of all tobacco products at events and insures smoking cessation literature is available to the public. The Quitline quit rate is 37%.</p> <p>*Barriers/Issues Encountered: Data on people with prediabetes and gestational diabetes is not available due to funding reduction and staff reduction.</p> <p>*Plans to Overcome Barriers/Issues Encountered: The Tobacco Program is pursuing additional grant opportunities.</p> <p>Unanticipated Outcomes Resulting from the Objective: Reduction in the length of smoking cessation treatment with nicotine replacement therapy was cut by one half.</p> <p style="text-align: center;"><input type="button" value="Back"/></p>

Add Project Period Objective

***Programs Involved:**

Behavioral Risk Factor Surveillance
 Diabetes
 Healthy Communities
 Tobacco Control

***Objective ID:**

***Related Program Goal:**

Diabetes
 Prevent diabetes
 Prevent the complications, disabilities, and burden associated with diabetes
 Eliminate diabetes-related health disparities
 Enhance organizational capacity to achieve the National Diabetes Program Goals

Healthy Communities
 Provide technical assistance, training, and consultation to communities related to policy, systems, and environmental change strategies

Tobacco Control
 Prevent initiation of tobacco use
 Eliminate exposure to secondhand smoke
 Promote cessation among youth and adults
 Identify and eliminate tobacco-related health disparities

***Priority Area:**

Behavioral Risk Factor Surveillance
 Not Applicable

Diabetes
 Gestational
 Pre-diabetes (not and it is)
 Type 1
 Type 2
 Undiagnosed

Healthy Communities
 Not Applicable

Tobacco Control
 Not Applicable

***Describe the objective and how it will impact the problem:**

Character: 0 / Maximum: 200

***Measurement:** (This section creates the SMART Objective Statement)

Direction of Change: Unit of Measurement:

What will be measured?

Character: 0 / Maximum: 300

Baseline: Target:

Unknown

Data Source:

Other (specify):

***Intermediate and Short Term Outcome Measurements:**

Type: Target:

National Program Indicator:

Other (specify):

Data Source:

Other (specify):

Intermediate and Short Term Outcome Measurements	Type	Target	National Program Indicator	Data Source
No measurements entered.				

Timeframe: 01/29/2009 - 03/28/2014
