

Email Notifications from CRU Reporting System

Notification to grant applicant organization indicating that it needs to enter system to complete the CRU Form.

For Grant Applicants

To: Principal Investigator (only PI for this application) and Signing Official
CC: Grant Specialist and Program Officer
Subj: Your NIH Grant Application
Body: Thank you for submitting your grant application [insert grant #] to the NIH for consideration. You are receiving this email because it appears that your proposed research may involve the use of chimpanzees or chimpanzee biomaterials. Per the NIH policy decision on the use of chimpanzees in NIH-supported research (see [NOT-OD-14-024](#)), the NIH needs additional information about your research before taking funding action or otherwise allowing the research to proceed.

If your proposed research involves chimpanzees, the NIH Council of Councils Chimpanzee Research Use Panel (CRUP) will consider information submitted through an online form created specifically for this purpose.

If your proposed research involves stored chimpanzee biomaterials or other chimpanzee involvement considered "exempt from CRUP consideration" (see [NOT-OD-14-024](#)), we ask that you provide additional details about the proposed research so NIH can verify that the use of chimpanzees or chimpanzee biomaterials is exempt from CRUP consideration.

To enter NIH's CRU Reporting System and begin providing the information, click [here](#). If your grant application does not involve the use chimpanzees or chimpanzee biomaterials you will have the opportunity to certify this after clicking the link.

The deadline for submitting your CRU form or certification is [INSERT DATE]. Forms submitted after the due date may delay consideration by the NIH. If you have questions about this request, please contact dpcpsi@od.nih.gov.

Thank you,

NIH Division of Program Coordination, Planning, and Strategic Initiatives (DPCPSI)
