#### **Privacy Act / Paperwork Reduction Notice**

Section 1860 D-14 of the *Social Security Act* authorizes the collection of information requested on this form. The information you provide will be used to enable the Social Security Administration (SSA) to determine if you continue to be eligible for help paying your share of the cost of a Medicare prescription drug plan. You do not have to give us the information requested. However, if you do not provide the information, we will be unable to make an accurate and timely decision on your continuing eligibility for benefits and could result in the loss of your Extra Help with Medicare prescription drug plan costs. We may provide information collected on this form to another Federal, State, or local government agency to assist us in determining your initial or continuing eligibility for the Extra Help or if a Federal law requires the release of the information. We also may need to share the information with other SSA programs if SSA needs to determine your eligibility in those programs.

We also may use the information you give us when we match records by computer. Matching programs compare our records with those of other Federal, State, or local government agencies. Many agencies may use matching programs to find or prove that a person qualifies for benefits paid by the Federal government. The law allows us to do this even if you do not agree to it. Explanations about these and other reasons why information you provide us may be used or given out are available in Social Security offices. If you want to learn more about this, contact any Social Security office.
