

## 1. Login Screen

The screenshot shows a web browser window with the URL [https://www.pwrc.usgs.gov/naamp/data/statecoord/SC\\_center.cfm](https://www.pwrc.usgs.gov/naamp/data/statecoord/SC_center.cfm). The page header includes the USGS logo and the text "Patuxent Wildlife Research Center - NAAMP Regional Coordinator Access". A welcome message reads "Welcome Oswald! You are logged onto the Main Access Pages". Below this, there are four dropdown menus labeled "Observer Info:", "Route Info:", "Data Tools:", and "Coordinator Utilities:", each with a "(Select from below)" prompt. A "Logout" link is located to the right of these menus. The main content area is titled "> Enter data" and contains the following form fields:

- Select route:
- Select observer:
- Select window number:  1  2  3
- Survey Date (mm/dd/yyyy):

Below the form fields is an "Enter Data" button and a "[Data Entry Help]" link. At the bottom of the page, there is a footer with accessibility information and contact details for the Patuxent Wildlife Research Center, dated 06/23/2012.

## 2. Login screen with observer information

This screenshot shows the same login screen as above, but with the following information entered into the form fields:

- Select route: 440102 - St. John
- Select observer: VILLERA, OSWALDO (VC185)
- Select window number:  1  2  3
- Survey Date (mm/dd/yyyy): 06/12/2014

The "Enter Data" button and "[Data Entry Help]" link are still present. The footer at the bottom of the page remains the same, dated 06/23/2012.

5. Confirmation window for data entry

The screenshot shows a web browser window with the URL [https://www.pwrc.usgs.gov/naamp/data/statecoord/sc\\_center.cfm](https://www.pwrc.usgs.gov/naamp/data/statecoord/sc_center.cfm). The page header includes the USGS logo and the text "Patuxent Wildlife Research Center - NAAMP Regional Coordinator Access". A navigation bar contains dropdown menus for "Observer Info", "Route Info", "Data Info", and "Coordinator Info", along with a "Logout" link.

The main content area features a green background with a white box containing the following text:

No sampling window dates have yet been confirmed for this route/run number for the 2014 survey year. (Note: volunteers do not receive this message). When the windows for this year are confirmed, data will be then be validated and the flag stating "Unable to validate whether survey date falls within allotted window" will be removed.

Please double-check the data as entered with your survey notes before selecting "Submit to Database." Use your browser's "Back" button or click "Return to Entry Form" to go back and make any needed changes.
