## Introduction

We would like your help evaluating questions that ask about the availability of paid and unpaid leave on your job.

These questions might be used in a future survey, so we want them to be clear and easy to answer.

Please remember to talk out loud as you answer each question, and mention anything that confuses you or which you find difficult to answer.

Be sure to enter an answer for each question. The questions should take no more than 20 minutes to complete. However, don't worry if you are not able to complete all the questions within the allotted timeframe. Rather than rush, take your time and describe any problems you encounter.

The words "Follow-up Questions" may appear occasionally. These questions are not survey questions, and are meant to be answered by you talking out loud. These questions ask for additional information to help us better understand how you arrived at your answer. If you already provided this information when you were answering the initial question, you don't have to provide it again. Just skip the follow-up questions.

Thank you for your help. Click Next below when you are ready to continue.

Your participation in this research project is voluntary, and you have the right to stop at any time. We are collecting this information under OMB Number 1225-0141. Without this currently-approved number, we could not conduct this survey. (Expiration: April 30, 2018).
