TPEM Summary

For Part 89 and Part 1039: •For percent-of-production, for each power category, please provide the cumulative numbers and percentages of units for all the units you have sold under §89.102 or §1039.625. Also, include the maximum allowed cumulative percentage, based on the provisions of §89.102 or §1039.625.

•For small volume, for each power category, please provide the cumulative number of units with exempted engines you have sold under §89.102 or §1039.625 and the maximum allowed number of units with exempted engines, based on the provisions of §89.102 or §1039.625.
