

Mortgagee's Request for Extensions of Time

U.S. Department of Housing and Urban Development
Office of Housing
Federal Housing Commissioner

OMB 2502-0584 (exp. 11/30/2014)

Public reporting burden for this collection of information is estimated to average 15 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. This information is required to obtain benefits. HUD may not collect this information, and you are not required to complete this form, unless it displays a currently valid OMB control number. Section 204(a) of the National Housing Act authorizes the Secretary of the Department of Housing and Urban Development to insure lenders against loss on approved single family mortgages. In the event of default and foreclosure of an insured mortgage, the mortgagee is entitled to receive the insurance benefits plus interest on such benefits. HUD regulations require that the mortgagee take certain actions within specific time limitations. Failure to meet such limitations may result in curtailment of interest by requesting an extension of time to complete an action before the time limit for the action expires. This information collection is used to request such an extension and HUD may approve such requests in writing. While no assurances of confidentiality are pledged to respondents, HUD generally discloses this data only in response to a Freedom of Information request.

Extensions will not be approved for the convenience of the mortgagee. Promptly submit this form, prior to the expiration of the timeframe. Form MUST be legible.
