Certify Auction Application

By clicking the "Submit" button below, I certify the following:

- (1) This application discloses all real parties in interest to any agreements involving the applicant's participation in the competitive bidding.
(2) The Applicant, each party capable of controlling the Applicant, and each party that may be controlled by the Applicant or by a party capable of controlling the Applicant have complied with and will continue to comply with Section 1.21002 of Title 47 of the Code of Federal Regulations.
(3) The Applicant is financially and technically capable of providing service in each area for which it seeks support.
(4) The Applicant has available funds for all project costs that exceed the amount to be received from the Rural Broadband Experiments.
(5) The Applicant will offer service in supported areas at rates that are within a reasonable range of rates for similar service plans offered by voice and broadband providers in urban areas.
(6) The Applicant either (a) has been designated as an Eligible Telecommunications Carrier pursuant to Section 214(e) of Title 47 of the United States Code (47 USC 214(e)) in areas for which it will seek support OR (b) will obtain designation as an Eligible Telecommunications Carrier pursuant to Section 214(e) of Title 47 of the United States Code (47 USC 214(e)) in areas for which it will seek support.
(7) If the Applicant's proposal includes the use of spectrum access, the description of this spectrum access in areas for which the Applicant will seek support provided in this application to participate in competitive bidding is correct.
(8) The Applicant and any party to this application are not subject to a denial of federal benefits pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988.
