

**OMB Control Number:** 0560-0265

**Title of Clearance:** Customer Data Worksheet Request for “Business Partner” Record Change

**Agency Form Number affected by Change Worksheet:** AD-2047.

**Other Changes:** FSA is requesting for an approval on a new version of the AD-2047-Customer Data Worksheet Request for SCIMS Record. FSA is moving to a new system of record for customer data. The old system is called SCIMS, and the new system is called Business Partner. We’d like the AD-2047 form title to reflect the new system of record. The request is to change the title word “SCIMS” to “Business Partner”. There are no changes to the burden hour for the form in the information collection request of 0560-0265.
