Also, Contractor's failure to comply with the requirements of paragraphs (b) or (c) of this provision may, pursuant to 48 C.F.R. §23.506, render the Contractor subject to suspension of contract payments, termination of the contract for default, and suspension or debarment."

4. Article 70 is amended to read as follows:

"Article 70. INVOICES AND PAYMENT AND PAYMENT OF INTEREST

- (a) Invoices for payment for the commodity, and for reimbursement of transportation and protective service charges, if any, must be submitted separately by the Contractor to the Fiscal Division, Kansas City Commodity Office. Invoices for payment for the commodity must be made on the invoice portion of the Notice to Deliver or on a commercial type invoice and be supported by the original (official) inspection and checkloading certificates, if applicable, and either a copy of commercial bill of lading signed by the carrier's agent or, in lieu thereof, a copy of a consignee's receipt evidencing delivery. Invoices for reimbursement of transportation and protective service charges, if any, must be supported by the original or a copy of carrier's receipted freight bill or invoice. If shipment is by contract carrier, the Contractor's invoice must also be supported by a copy of the contract between the Contractor and the truck or rail line showing the schedule of rates, or a copy of the truck or rail line's published rates.

- (b) Invoices for payment of freight charges, billed by the transportation companies, must be submitted to the Traffic Management Division, Kansas City Commodity Office. Invoices must contain the applicable Notice to Deliver number to be considered a proper invoice.
- (c) When the total quantity to be invoiced includes a fraction of a pound, the fraction should be omitted if less than one-half pound and raised to the next full pound if one-half pound or more. Only whole pounds should be shown on the invoice. Contractor may include more than one shipment on any invoice.
- (d) It is mutually agreed and understood that in submitting an invoice, the Contractor thereby certifies that all requirements of the contract have been satisfied and the Contractor has complied fully with the representations, certifications, and warranties set forth in Part C of USDA-1. Submission of an invoice when all contract terms and conditions have not been satisfied may subject Contractor to civil and criminal penalties as provided in Titles 15, 18, and 31 of the United States Code. The Agency will make payment to the Contractor (or the assignee if an assignment is made pursuant to Article 69) of any amounts due with respect to each shipment invoiced.
- (e) The payment is due after receipt by the Fiscal Division, Kansas City Commodity Office, of a properly prepared invoice with the required supporting documents as follows:
 - (1) Within 7 days on purchase contracts for the acquisition of meat, meat food products or edible fresh or frozen poultry meat, perishable poultry meat products, fresh eggs or perishable egg products.
 - (2) Within 10 days on purchase contracts for the acquisition of dairy products, fresh and frozen fruits and vegetables, edible fats or oils, and food products prepared from edible fats or oils.
 - (3) Within 30 days on all other contracts including processing contracts where Government-owned commodities are processed into end products.
- (f) If payment is not made within the specified number of calendar days following receipt of a proper invoice, then interest will be paid on the unpaid amount. Interest will accrue beginning on the first day after the payment due date through the date the Agency issues a check or otherwise delivers payment. Interest will be added to the amount payable on the invoice.

- (g) Interest will be paid at a rate of interest that is equal to the rate of interest established by the Secretary of the Treasury for payment of interest penalties under the Prompt Payment Act. Interest is computed using the rate in effect on the day the agency first accrues an obligation to pay interest. Interest in the amount less than \$1.00 (one dollar) will not be paid.
- (h) If a gross billing weight is shown in the offer and is to be considered in determining which offers are most advantageous to Agency, and if the gross billing weight as shown in the offer differs from that shown on the carrier's bill of lading, the Agency will require payment by Contractor for any excess transportation charges based upon the weight differences. Any savings will accrue to Agency."

5. Article 80 is added as follows:

"Article 80. DRUG-FREE WORKPLACE

The drug-free workplace provisions of Article 35 are hereby incorporated as post award provisions."

(c) A special Government employee, as defined in section 202, title 18, United States Code.

"Person," as used in this article, means an individual, corporation, company, association, authority, firm, partnership, society, State, and local government, regardless of whether such entity is operated for profit, or not for profit. This term excludes an Indian tribe, tribal organization, or any other Indian organization with respect to expenditures specifically permitted by other Federal law.

"Reasonable compensation," as used in this article, means, with respect to a regularly employed officer or employee of any person, compensation that is consistent with the normal compensation for such officer or employee for work that is not furnished to, not funded by, or not furnished in cooperation with the Federal Government.

"Reasonable payment," as used in this article, means, with respect to professional and other technical services, a payment in an amount that is consistent with the amount normally paid for such services in the private sector.

"Recipient," as used in this article, includes the Contractor and all subcontractors. This term excludes an Indian tribe, tribal organization, or any other Indian organization with respect to expenditures specifically permitted by other Federal law.

"Regularly employed," as used in this article, means, with respect to an officer or employee of a person requesting or receiving a Federal contract, an officer or employee who is employed by such person for at least 130 working days within 1 year immediately preceding the date of the submission that initiates agency consideration of such person for receipt of such contract. An officer or employee who is employed by such person for less than 130 working days within 1 year immediately preceding the date of the submission that initiates agency consideration of such person shall be considered to be regularly employed as soon as he or she is employed by such person for 130 working days.

"State," as used in this article, means a State of the United States, the District of Columbia, the Commonwealth of Puerto Rico, a territory or possession of the United States, an agency or instrumentality of a State, and multi-State, regional, or interstate entity having governmental duties and powers.

(b) Prohibitions. (1) Section 1352 of title 31, United States Code, among other things, prohibits a recipient of a Federal contract, grant, loan, or cooperative agreement from using appropriated funds to pay any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee

of Congress, or an employee of a Member of Congress in connection with any of the following covered Federal actions: the awarding of any Federal contract; the making of any Federal grant; the making of any Federal loan; the entering into of any cooperative agreement; or the modification of any Federal contract, grant, loan, or cooperative agreement.

(2) The Act also requires Contractors to furnish a disclosure if any funds other than Federal appropriated funds (including profit or fee received under a covered Federal transaction) have been paid, or will be paid, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with a Federal contract, grant, loan, or cooperative agreement.

(3) The prohibitions of the Act do not apply under the following conditions:

(1) Agency and legislative liaison by own employees.
(A) The prohibition on the use of appropriated funds, in subparagraph (b)(1) of this article, does not apply in the case of a payment of reasonable compensation made to an officer or employee of a person requesting or receiving a covered Federal action if the payment is for agency and legislative liaison activities not directly related to a covered Federal action.

(B) For purposes of subdivision (b)(3)(1)(A) of this article, providing any information specifically requested by an agency or Congress is permitted at any time.

(C) The following agency and legislative liaison activities are permitted at any time where they are not related to a specific solicitation for any covered Federal action:

(1) Discussing with an agency the qualities and characteristics (including individual demonstrations) of the person's products or services, conditions or terms of sale, and service capabilities.

(2) Technical discussions and other activities regarding the application or adaptation of the person's products or services for an agency's use.

(D) The following agency and legislative liaison activities are permitted where they are prior to formal solicitation of any covered Federal action--

(1) Providing any information not specifically requested but necessary for an agency to make an informed decision about initiation of a covered Federal action;

(2) Technical discussions regarding the preparation of an unsolicited proposal prior to its official submission; and

(3) Capability presentations by persons seeking awards from an agency pursuant to the provisions of the Small Business Act, as amended by Pub. L. 95-507, and subsequent amendments.

(E) Only those services expressly authorized by subdivision (b)(3)(i)(A) of this article are permitted under this article.

(ii) Professional and technical services. (A) The prohibition on the use of appropriated funds, in subparagraph (b)(1) of this article, does not apply in the case of --

(1) A payment of reasonable compensation made to an officer or employee of a person requesting or receiving a covered Federal action or an extension, continuation, renewal, amendment, or modification of a covered Federal action, if payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal action or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal action.

(2) Any reasonable payment to a person, other than an officer or employee of a person requesting or receiving a covered Federal action or an extension, continuation, renewal, amendment, or modification of a covered Federal action, if the payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal action or for meeting requirements imposed by or

pursuant to law as a condition for receiving that Federal action. Persons other than officers or employees of a person requesting or receiving a covered Federal action include consultants and trade associations.

(B) For purposes of subdivision (b)(3)(ii)(A) of this article, "professional and technical services" shall be limited to advice and analysis directly applying any professional or technical discipline. For example, drafting of a legal document accompanying a bid or proposal by a lawyer is allowable.

Similarly, technical advice provided by an engineer on the performance or operational capability of a piece of equipment rendered directly in the negotiation of a contract is allowable. However, communications with the intent to influence made by a professional (such as a licensed lawyer) or a technical person (such as a licensed accountant) are not allowable under this section unless they provide advice and analysis directly applying their professional or technical expertise and unless the advice or analysis is rendered directly and solely in the preparation, submission or negotiation of a covered Federal action. Thus, for example, communications with the intent to influence made by a lawyer that do not provide legal advice or analysis directly and solely related to the legal aspects of his or her client's proposal, but generally advocate one proposal over another are not allowable under this section because the lawyer is not providing professional legal services. Similarly, communications with the intent to influence made by an engineer providing an engineering analysis prior to the preparation or submission of a bid or proposal are not allowable under this section since the engineer is providing technical services but not directly in the preparation, submission or negotiation of a covered Federal action.

(C) Requirements imposed by or pursuant to law as a condition for receiving a covered Federal award include those required by law or regulation and any other requirements in the actual award documents.

(D) Only those services expressly authorized by subdivisions (b)(3)(ii)(A)(1) and (2) of this article are permitted under this article.

(E) The reporting requirements of 48 C.F.R. 3.803(a) shall not apply with respect to payments of reasonable compensation made to regularly employed officers or employees of a person.

(iii) Disclosure. (A) The Contractor who requests or receives from an agency a Federal contract shall file with that agency a disclosure form, OMB standard form LLL, Disclosure of Lobbying Activities, if such person has made or has agreed to make any payment using nonappropriated funds (to include profits from any covered Federal action), which would be prohibited under subparagraph (b)(1) of this article, if paid for with appropriated funds.

(B) The Contractor shall file a disclosure form at the end of each calendar quarter in which there occurs any event that materially affects the accuracy of the information contained in any disclosure form previously filed by such person under subparagraph (c)(1) of this article. An event that materially affects the accuracy of the information reported includes--

(1) A cumulative increase of \$25,000 or more in the amount paid or expected to be paid for influencing or attempting to influence a covered Federal action; or

(2) A change in the person(s) or individual(s) influencing or attempting to influence a covered Federal action; or

(3) A change in the officer(s), employee(s), or Member(s) contacted to influence or attempt to influence a covered Federal action.

(C) The Contractor shall require the submittal of a certification, and if required, a disclosure form by any person who requests or received any subcontract exceeding \$100,000 under the Federal contract.

(D) All subcontractor disclosure forms (but not certifications) shall be forwarded from tier to tier until received by the prime Contractor. The prime Contractor shall submit all disclosures to the Contracting Officer at the end of the calendar quarter in which the disclosure form is

submitted by the subcontractor. Each subcontractor certification shall be retained in the subcontract file of the awarding Contractor.

(iv) Agreement. The Contractor agrees not to make any payment prohibited by this article.

(v) Penalties. (A) Any person who makes an expenditure prohibited under paragraph (a) of this article or who fails to file or amend the disclosure form to be filed or amended by paragraph (b) of this article shall be subject to civil penalties as provided for by 31 U.S.C. 1352. An imposition of a civil penalty does not prevent the Government from seeking any other remedy that may be applicable.

(B) Contractors may rely without liability on the representation made by their subcontractors in the certification and disclosure form.

(vi) Cost allowability. Nothing in this article makes allowable or reasonable any costs which would otherwise be unallowable or unreasonable. Conversely, costs made specifically unallowable by the requirements in this article will not be made allowable under any other provision.
