Screenshot #1: Multi-Food Order Form (Product / Qty Selection)

The screenshot displays the 'Multi-Food' section of the WBSCM interface. On the left is a 'Product Catalog' sidebar with a search bar and a list of program categories including CSFP, TEFAP, NSIP, CACFP, SFSP, NSLP, FDPIR, Direct Delivery, and DA. The main area shows a table of products under the 'Multi-Food' heading. The table has columns for Quantity, Product Number (Program / Sub-Area), Name, Price, Whouse, and Pending Replenishments. Five products are listed, with checkboxes for selection and input fields for quantities. Below the table are pagination controls (1-9, Next) and a 'Products Per Page' dropdown set to 5, along with 'Select All', 'Cancel Selection', and 'Move to Cart' buttons.
