To ensure BWC has the necessary information to quickly issue a safety grant check to you, please complete the attached W-9 and Vendor Information Form. Both the W-9 and Vendor Information Form will allow us to add your company to the state accounting system and provide tax information to the IRS in the event circumstances warrant the issuance of a 1099 form. BWC is required to issue a 1099 to an employer for all unused and/or unverified funds. If an employer fails to submit all documentation in accordance with the terms of the SafetyGRANTS Program, and/or the employer has not verified how the funds will be spent by Dec. 31 of a given year, the award could be considered income received and may be taxable. (Note: The issuance of a 1099 does not preclude BWC from seeking administrative, civil and/or criminal sanctions if the agency is not reimbursed all unused grant money and/or if funds are deemed to have been misappropriated.) Acceptable verification includes the employer's original paid invoice(s) and copies of cancelled check(s), or online bank statements to verify payment.
