SECTION I: ADULT SURVEY

GENERAL SURVEY MODULE A: LOCATION/EXPOSURE

I would like to begin by showing you a map of the areas affected by [Description of Incident] on [Date]. The affected areas are highlighted. From now on, I will refer to the [Description of Incident] on [Date] as "the incident."

After reviewing a map of the exposed area(s), ask respondents the following questions:

A1. Were you in this area at any time between [Incident Date/Time] and [End Date/Time]?

🗌 Yes

- No → Say to the respondent: Thank you for your time. <u>Record the end time and do not ask any further questions. This</u> <u>person is not eligible for the survey.</u>
- A2. I would like to know about each place you went within the highlighted area on the map between [Incident Date] at [Time] and [End Date/Time] so that I can construct a timeline and understand what happened when you were exposed. <u>Record the following answers in the table provided. Fill out the</u> <u>table for one location before continuing on to the next location.</u>

Public reporting burden of this collection of information is estimated to average 30 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information including suggestions for reducing this burden to CDC/ATSDR Reports Clearance Officer; 1600 Clifton Road NE, MS E-11 Atlanta, Georgia 30333; ATTN: PRA (0923-XXXX)
