

**Supporting Statement
Report of Diversion
1651-0025**

A. Justification

- 1. Explain the circumstances that make the collection of information necessary. Identify any legal or administrative requirements that necessitate the collection. Attach a copy of the appropriate section of each statute and regulation mandating or authorizing the collection of information.**

CBP Form 26, *Report of Diversion*, is used to track vessels traveling coastwise from U.S. ports to other U.S. ports when a change occurs in scheduled itineraries. This form is initiated by the vessel owner or agent to notify and request approval by CBP for a vessel to divert while traveling coastwise from a U.S. port to another U.S. port, or a vessel traveling to a foreign port having to divert to a U.S. port when a change occurs in the vessel itinerary. CBP Form 26 collects information such as the name and nationality of the vessel, the expected port and date of arrival, and information about any related penalty cases, if applicable. This information collection is authorized by the Jones Act (46 U.S.C. App. 883) and is provided for 19 CFR 4.91. CBP Form 26 is accessible at http://www.cbp.gov/sites/default/files/documents/CBP%20Form%2026_0.pdf

- 2. Indicate how, by whom, and for what purpose the information is to be used. Except for a new collection, indicate the actual use the agency has made of the information received from the current collection.**

CBP uses the information on CBP Form 26 to enforce the provisions of the Jones Act.

- 3. Describe whether, and to what extent, the collection of information involves the use of automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g. permitting electronic submission of responses, and the basis for the decision for adopting this means of collection. Also describe any consideration of using information technology to reduce burden.**

Electronic submission of this information is planned as part of the Automated Commercial Environment (ACE) by 2017.

- 4. Describe efforts to identify duplication. Show specifically why any similar information already available cannot be used or modified for use for the purposes described in Item 2 above.**

This information is not duplicated in any other place or any other form.

- 5. If the collection of information impacts small businesses or other small entities, describe any methods used to minimize burden.**

This information collection does not have an impact on small businesses or other small entities.

- 6. Describe consequences to Federal program or policy activities if the collection is not conducted or is conducted less frequently.**

If the information on CBP Form 26 were collected less frequently, CBP would not be able to enforce the Jones Act.

- 7. Explain any special circumstances.**

This information is collected in a manner consistent with the guidelines of 5 CFR 1320.5(d)(2).

- 8. If applicable, provide a copy and identify the date and page number of publication in the Federal Register of the agency's notice, required by 5 CFR 1320.8(d), soliciting comments on the information collection prior to submission to OMB. Summarize public comments received in response to that notice and describe actions taken by the agency in response to these comments. Specifically address comments received on cost and hour burden.**

Public comments were solicited through two Federal Register notices including a 60-day notice published on May 22, 2014 (Volume 79, Page 29452) on which no comments were received, and a 30-day notice published on August 8, 2014 (Volume 79, Page 46448) on which no comments have been received.

- 9. Explain any decision to provide any payment or gift to respondents, other than remuneration of contractors or grantees.**

There is no offer of a monetary or material value for this information collection.

- 10. Describe any assurance of confidentiality provided to respondents and the basis for the assurance in statute, regulation, or agency policy.**

There is no PII involved with this information collection. No assurances of confidentiality are provided to respondents.

- 11. Provide additional justification for any questions of a sensitive nature, such as sexual behavior and attitudes, religious beliefs, and other matters that are commonly considered private. This justification should include the reasons why the agency considers the questions necessary, the specific uses to be made of the information, the explanation to be given to persons from whom the information is requested, and any steps to be taken to obtain their consent.**

There are no questions of a sensitive nature.

- 12. Provide estimates of the hour burden of the collection of information.**

INFORMATION COLLECTION	TOTAL ANNUAL BURDEN HOURS	NO. OF RESPONDENTS	NO. OF RESPONSES PER RESPONDENT	TOTAL RESPONSES	TIME PER RESPONSE
Form 26	233	1,400	2	2,800	5 minutes (.0833 hours)

Public Cost

The estimated cost to the respondents is \$11,151. This is based on the estimated burden hours (233) multiplied (x) by the average hourly rate (\$47.86).

- 13. Provide an estimate of the total annual cost burden to respondents or record keepers resulting from the collection of information.**

There are no record keeping, capital, start-up or maintenance costs associated with this information collection.

- 14. Provide estimates of annualized cost to the Federal Government. Also provide a description of the method used to estimate cost, which should include quantification of hours, operational expenses (such as equipment overhead, printing, and support staff), and any other expense that would not have been incurred without this collection of information.**

The estimated annual cost to the Federal Government associated with the review of these records is \$28,780. This is based on the number of responses (2,800) that must be reviewed (x) the time to review and process each response (.166 hours) = 464.8 hours (x) the average hourly rate (\$61.92) = \$28,780.

- 15. Explain the reasons for any program changes or adjustments reported in Items 12 or 13 of this Statement.**

There has been no increase or decrease in the estimated annual burden hours previously reported for this information collection. There are no changes to the information collected.

16. For collection of information whose results will be published, outline plans for tabulation, and publication.

This information collection will not be published for statistical purposes.

17. If seeking approval to not display the expiration date, explain the reasons that displaying the expiration date would be inappropriate.

CBP will display the expiration date for OMB approval of this information collection.

18. "Certification for Paperwork Reduction Act Submissions."

CBP does not request an exception to the certification of this information collection.

B. Collection of Information Employing Statistical Methods

No statistical methods were employed.
