Appeal for Help	<p>Earlier this month I wrote to request your participation in a brief survey intended to assess the potential impact of preclearance expansion on all small, medium, and large hub airports across the United States. As part of a select group invited to participate in this survey, your answers are extremely important to us.</p> <p>We have already heard from many airport directors, and look forward to hearing from you. By conducting this survey, we seek to engage our stakeholders and learn how preclearance expansion affects their business operations. Please take a few minutes of your time to complete this survey today, and share your thoughts with us.</p>
Access to Survey	<p>The survey is very brief and will only take about 20 minutes to complete. It will close on [Date].
