Long-Term Supervisor Part II

What changes, if any, have you seen in your employee as a result of attending the NFA training class?

Has the attendee implemented any organizational changes since the training? If so, please describe them, and indicate how these changes have impacted your department.

Do you see any emerging issues in the fire/emergency services field that are not currently covered in NFA courses?

What skills do you, your co-workers and supervisors need that training would improve?

Additional comments?
