

CDRLF – Irregular Reports as Requested by NCUA

The loan agreement also contemplates that other information about a credit union's business, operations and financial condition may be requested by NCUA from time to time, if necessary to permit the Fund to maintain or to otherwise fully effectuate the purposes of the loan agreement. NCUA estimates it will request this additional information only with respect to ten percent of outstanding loans and that the burden associated with compliance with this request will be sixteen hours.
