The screenshot shows the National Credit Union Administration (NCUA) website interface. At the top left is the NCUA logo and name. A navigation bar contains links for 'Welcome Page', 'Contact Information', 'Organization Information', and 'Impact Information', with 'Impact Information' being the active page. The main heading is 'Impact Information'. A note indicates that an asterisk (*) denotes a required field. Under the heading 'Grant Initiatives 2014', there is a prompt to check each initiative received in 2014, followed by a list of checkboxes: CDFI Certification, Collaboration, New Product, Student Internship, and Training. Below this are three sections, each with a 2000-character maximum text box: 'Outcome Summary' (prompting for a brief explanation of project outcomes), 'Credit Union Success Stories' (prompting for success stories regarding grant use), and 'Community Impact' (prompting for quantitative tracking measurements for low-income communities).

Impact Information

* Indicates required field

* **Grant Initiatives 2014** Check each initiative you received a grant for in 2014

CDFI Certification Student Internship
 Collaboration Training
 New Product

* **Outcome Summary**
Briefly explain how the OSCUI Grant Program proceeds were used to accomplish the primary purpose of the project. Explain the outcome of the project and how it improved the operations and financial services of the credit union.

(2000 character maximum)

* **Credit Union Success Stories**
Please provide a success story or stories regarding the use of OSCUI's Grant Program. The credit union success stories provide invaluable supporting information when NCUA requests annual appropriations from Congress to replenish the grant fund.

(2000 character maximum)

* **Community Impact**
For each initiative the OSCUI Grant Program proceeds were used for, please list at least one quantitative tracking measurement for how the credit union is tracking the impact that the initiative has on the low income community it serves.
