

(g) The revolving loan fund will consist of receivables created by making loans, the grant recipient's security interest in collateral pledged by loan recipients, collections on the receivables, interest, fees, and any other income or assets derived from the operation of the revolving loan fund.

(h) The portion of the revolving loan fund that consists of HWWS grant funds, on a last-in-first-out basis, may be used for only those purposes set forth in this part.

(i) The grant recipient must submit an annual budget of proposed administrative costs for RUS approval. The amount removed from the revolving loan fund for administrative costs in any year must be reasonable; must not exceed the actual cost of operating the revolving loan fund, including loan servicing and providing technical assistance; and must not exceed the amount approved by RUS in the grant recipient's annual budget.

(j) A reasonable amount of revolved funds must be used to create a reserve for bad debts. Reserves should be accumulated over a period of years. The total amount should not exceed maximum expected losses, considering the quality of the grant recipient's portfolio of loans. Unless the grant recipient provides loss and delinquency records that, in the opinion of RUS, justifies different amounts, a reserve for bad debts of 6 percent of outstanding loans must be accumulated over three years and then maintained as set forth in the grant agreement.

(k) Any cash in the revolving loan fund from any source that is not needed for debt service, approved administrative costs, or reasonable reserves must be available for additional loans to loan recipients.

(l) All reserves and other cash in the revolving loan fund not immediately needed for loans to loan recipients or other authorized uses must be deposited in accounts in banks or other financial institutions. Such accounts must be fully covered by Federal deposit insurance or fully collateralized with U.S. Government obligations, and must be interest bearing. Any interest earned thereon remains a part of the revolving loan fund.

Indians residing on such reservations must have an equal opportunity to participate in this program.

(e) Federal statutes provide for extending the Agency's financial programs without regard to race, color, religion, sex, national origin, marital

§ 1777.12 Eligibility.

(a) The provisions of paragraphs (a) (1) and (2) of this section do not apply to a rural area recognized as a colonia. Otherwise, the facility financed under this part must provide water and/or waste disposal services to rural areas of a county where, on the date preapplication is received by the Agency, the:

(1) Per capita income of the residents is not more than 70 percent of the most recent national average per capita income, as determined by the Department of Commerce; and

(2) Unemployment rate of the residents is not less than 125 percent of the most recent national average unemployment rate, as determined by the Bureau of Labor Statistics.

(b) Residents of the rural area to be served must face significant health risks due to the fact that a significant proportion of the community's residents do not have access to, or are not served by, adequate, affordable, water and/or waste disposal systems. The file should contain documentation to support this determination. The following requirements regarding the documentation must be followed:

(1) The originating documentation must come from an independent third party source that has the experience in specifying the health or sanitary problem that currently exists.

§ 1777.13 Project priority.

Paragraphs (a) through (d) of this section indicate items and conditions which must be considered in selecting applications for further development. When ranking eligible applications for consideration for limited funds, Agency officials must consider the priority items met by each application and the degree to which those priorities are met.

(a) *Applications.* The application and supporting information submitted with it will be used to determine applicant eligibility and the proposed project's priority for available funds. Applicants determined ineligible will be advised of their appeal rights in accordance with 7 CFR part 11.

(b) *State Office review.* All applications will be processed and scored in the area office and then reviewed for funding priority at the State Office using RUS Bulletin 1777-2. Eligible applicants that cannot be funded will be advised that funds are not available and advised of their appeal rights as set forth in 7 CFR part 11.

(c) *National Office.* The National Office will allocate funds on a project-by-project basis as requests are received from the State Office. If the amount of funds requested exceeds the amount of funds available, the total project score will be used to select projects for funding. The RUS Administrator may assign up to 35 additional points which will be considered in the total points for items such as geographic distribution of funds, severity of health risks, etc. Unobligated funds will be pooled by mid-August of each year and made available to all States with eligible

colonias applicants on a case-by-case basis.

(d) *Selection priorities.* The priorities described below will be used to rate applications and in selecting projects for funding. Points will be distributed as indicated in paragraphs (d)(1) through (d)(6) of this section and will be used in selecting projects for funding.

(1) *Population.* The proposed project will serve an area with a rural population:

- (i) Not in excess of 1,500—30 points.
- (ii) More than 1,500 and not in excess of 3,000—20 points.
- (iii) More than 3,000 and not in excess of 5,500—10 points.

- (i) Not in excess of 50 percent of the statewide nonmetropolitan median household income—40 points.
- (ii) More than 50 percent and not in excess of 60 percent of the statewide nonmetropolitan median household income—20 points.
- (iii) More than 60 percent and not in excess of 70 percent of the statewide nonmetropolitan median household income—10 points.

(3) *Joint financing.* The amount of joint financing committed to the proposed project is:

- (i) Twenty percent or more private, local, or State funds except Federal funds channeled through a State agency—10 points.
- (ii) Five to 19 percent private, local, or State funds except Federal funds channeled through a State agency—5 points.

(4) *Colonia.* (See definition in §1777.4). The proposed project will provide water and/or waste disposal services to the residents of a colonia:—50 points. Additional points will be assigned as follows:

- (5) *Access and health risks for colonias.*
 - (i) A colonia that lacks access to both water and waste disposal facilities, resulting in a significant health risk—50 points.
 - (ii) A colonia that lacks access to either water or waste disposal facilities, resulting in a significant health risk—40 points.
 - (iii) A colonia that has access to water and waste disposal facilities, but

Rural Utilities Service, USDA

§ 1777.41

is facing a significant health risk—15 points.

(6) *Discretionary*. In certain cases, and when a written justification is prepared, the State Program Official with loan/grant approval authority may assign up to 15 points for items such as natural disaster, to improve compatibility/coordination between RUS' and other agencies' selection systems, to assist those projects that are the most cost effective, high unemployment rate, severity of health risks, etc.
