To provide U.S. citizens with the resources and encouragement needed to acquire skills and experiences in areas of the world critical to the future security of nations in exchange for a commitment to seek work in the Federal Government. This will enable the National Security Education Program (NSEP) to select qualified applicants to be awarded Boren Scholarships, Boren Fellowships, and English for Heritage Language Speakers program Scholarships.

A record is maintained in the system, NSEPnet, for each student who receives an award. The progress that each student makes toward fulfilling their federal service obligation is tracked within this system."

Routine uses of records maintained in the system, including categories of users and the purposes of such uses: Delete entry and replace with "In addition to those disclosures generally permitted under 5 U.S.C. 552a (b) of the Privacy Act of 1974, as amended, the records herein may specifically be disclosed outside the DoD as a routine use pursuant to 5 U.S.C. 552a(b)(3) as follows:

Disclosures pursuant to 5 U.S.C. 552a(b)(12) may be made from this system to consumer reporting agencies as defined in the Fair Credit Reporting Act (14 U.S.C. 1681a(f)) or the Federal Claims Collection Act of 1966 (31 U.S.C. 3701(a)(3)). The purpose of this disclosure is to aid in the collection of outstanding debts owed to the Federal Government, typically to provide an incentive for debtors to repay delinquent Federal Government debts by making these debts part of their credit records.

The disclosure is limited to information necessary to establish the identity of the individual, including name, address, and taxpayer identification number (SSN); the amount, status, and history of the claim; and the agency or program under which the claim arose for the sole purpose of allowing the consumer reporting agency to prepare a commercial credit report.

All of these imperil, to one extent or another, information availability, integrity, and confidentiality.

The security features of the NSEP Scholar and Fellow Support System provide a level of protection that meets or exceeds the minimal requirements of DoD Directives 5400.11 and 8500.01E. Contract officers are required to incorporate all appropriate Privacy Act clauses and contractor personnel are required to sign non-disclosure documents holding them to all provisions of the Privacy Act.
