ACQ 101 Fundamentals of Systems Acquisition Management (Last Modified: 18-Jan-2014)

Description

This course provides a broad overview of the DoD systems acquisition process, covering an overview of acquisition, a historical overview, Capabilities Integration and Development System, the planning, programming, budgeting, and execution process, DoD 5000-series policy documents, and current issues in systems acquisition management. Designed for individuals who have little or no experience in DoD acquisition management, this course has proven very useful to personnel in headquarters, program management, and functional or support offices.

Objectives

Download Course

Target Attendees

This course is for GS-5 through GS-9. However, this course is open to all ranks and grades.

Prerequisite(s)

None

Predecessor Course(s) (Acceptable as a substitute for this course until the acceptance date specified below.)

Predecessor	Predecessor Course Title	PDS Code	Accepted Until
None	None	None	None

Course Length

Approximately 25 hours to complete

Additional Course Information

Delivery Mode	Distance Learning	Continuing Education Units	2.5
Equivalent Courses	YES	Continuous Learning Points	2.5
ACQ Recommended Prerequisites	YES	Recurriculum/Retirement Points	2.5

You are accessing a U.S. Government (USG) Information System (IS) that is provided for USG-authorized use only.

By using this IS (which includes any device attached to this IS), you consent to the following conditions:

- The USG routinely intercepts and monitors communications on this IS for purposes including, but not limited to, penetration testing, COMSEC monitoring, network operations and defense, personnel misconduct (PM), law enforcement (LE), and counterintelligence (CI) investigations.
- At any time, the USG may inspect and seize data stored on this IS.
- Communications using, or data stored on, this IS are not private, are subject to routine monitoring, interception, and search, and may be disclosed or used for any USG authorized purpose.
- This IS includes security measures (e.g., authentication and access controls) to protect USG interests--not for your personal benefit or privacy.
- Notwithstanding the above, using this IS does not constitute consent to PM, LE or CI investigative searching or monitoring of the content of privileged communications, or work product, related to personal representation or services by attorneys, psychotherapists, or clergy, and their assistants. Such communications and work product are private and confidential. See User Agreement for details.

AGENCY DISCLOSURE NOTICE

The public reporting burden for this collection of information is estimated to average 5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing the burden, to the Department of Defense, Washington Headquarters Services, Executive Services Directorate, Directives Division, 4800 Mark Center Drive, East Tower, Suite 02G09, Alexandria, VA 22350-3100 (0704-TBD.) Respondents should be aware that notwithstanding any other provision of law, no person shall be subject to any penalty for failing to comply with a collection of information if it does not display a currently valid OMB control number.

Privacy Act Statement:

Authorities: 10 U.S.C. 133, Under Secretary of Defense for Acquisition, Technology, and Logistics; and DoD Directive 5000.57, Defense Acquisition University.

Purpose: To manage administrative and academic functions related to student registration and courses attempted and completed. Records are also used to verify attendance and grades, and as a management tool for statistical analysis, tracking, and reporting. These records are covered by Privacy Act System of Records Notice DAU 08 [WILL NEED TO ADD LINK TO THE SORN].

Routine Use(s): 1. Law Enforcement Routine Use: If a system of records maintained by a DoD Component to carry out its functions indicates a violation or potential violation of law, whether civil, criminal, or regulatory in nature, and whether arising by general statute or by regulation, rule, or order issued pursuant thereto, the relevant records in the system of records may be referred, as a routine use, to the agency concerned, whether federal, state, local, or foreign, charged with the responsibility of investigating or prosecuting such violation or charged with enforcing or implementing the statute, rule, regulation, or order issued pursuant thereto.

2. Congressional Inquiries Disclosure Routine Use: Disclosure from a system of records maintained by a DoD Component may be made to a congressional office from the record of an individual in response to an inquiry from the congressional office made at the request of that individual.

3. Disclosures Required by International Agreements Routine Use: A record from a system of records maintained by a DoD Component may be disclosed to foreign law enforcement, security, investigatory, or administrative authorities to comply with requirements imposed by, or to claim rights conferred in, international agreements and arrangements including those regulating the stationing and status in foreign countries of DoD military and civilian personnel.

4. Disclosure to the Department of Justice for Litigation Routine Use: A record from a system of records maintained by a DoD Component may be disclosed as a routine use to any component of the Department of Justice for the purpose of representing the Department of Defense, or any officer, employee or member of the Department in pending or potential litigation to which the record is pertinent.

5. Disclosure of Information to the National Archives and Records Administration Routine Use: A record from a system of records maintained by a DoD Component may be disclosed as a routine use to the National Archives and Records Administration for the purpose of records management inspections conducted under authority of 44 U.S.C. 2904 and 2906.

6. Data Breach Remediation Purposes Routine Use: A record from a system of records maintained by a Component may be disclosed to appropriate agencies, entities, and persons when (1) The Component suspects or has confirmed that the security or confidentiality of the information in the system of records has been compromised; (2) the Component has determined that as a result of the suspected or confirmed compromise there is a risk of harm to economic or property interests, identity theft or fraud, or harm to the security or integrity of this system or other systems or programs (whether maintained by the Component or another agency or entity) that rely upon the compromised information; and (3) the disclosure made to such agencies, entities, and persons is reasonably necessary to assist in connection with the Components efforts to respond to the suspected or confirmed compromise and prevent, minimize, or remedy such harm.

The DoD Blanket Routine Uses are set forth at <http://dpclo.defense.gov/Privacy/SORNsIndex/BlanketRoutineUses.aspx>.

Disclosure: Voluntary. However, if you do not provide the information required to [identify and register](#) you for courses, your application for attendance at DAU may be rejected or you may not receive credit for a course you attended.

Supervisor data collected on this form during registration request

The screenshot displays the NAVY SIS for Acquisition Training website. At the top, a dark blue navigation bar contains the text "WELCOME:", a "NAVY" dropdown menu, and links for "MESSAGE", "ALERTS", "OPERATING STATUS", and "LOGOUT". Below this is a banner for "NAVY SIS for Acquisition Training" with the DAU logo on the left. A secondary navigation bar includes links for "Student Information System", "Search Course & Register", "My Progress Review", "My Student Profile", "Acquisition Career Resources", "DAU Policies & Procedures", and "HELP".

The main content area features a breadcrumb trail: "Search Course & Register" > "My Class Schedule" > "Certification Requirements" > "Transfer Credit" > "My Registration Activity". The primary content is a "Training Courses and Schedules" table. A modal window titled "Confirm Supervisor" is overlaid on the table. The modal contains a search instruction: "To add a Supervisor, perform a search to see if the Supervisor record exists in Talisma Ecosystem." It includes four input fields: "First Name", "Last Name", "Email Address", and "Phone Number", followed by a search icon. Below the inputs is a table with columns "Name", "Email Address", and "Phone Number". At the bottom of the modal are "Save Selection" and "Cancel" buttons.

On the right side of the page, there is a "Video Help Library" section with links to "Contextual Help SIS Portal", "Course Catalog 1", and "Course Catalog 2". Below this is a "Navy News" section with the text: "Content specific for Navy Users: The Navy has been noted as the premier military branch as polled as the Nav... more".

The footer contains the PORTICO logo (Department of Defense, Gateway to Acquisition Excellence), a list of links (Home, Site Map, Tutorial, FAQ, Gateways, DoD Main Websites, Defense Recover Act, DoD Webmasters, Accessibility/Section 508, Security & Privacy Notice), and the OMB Control Number: xxxxx.
