MEMORANDUM FOR DEFENSE PRIVACY AND CIVIL LIBERTIES OFFICE  
THROUGH OSD/JS PRIVACY OFFICE

SUBJECT: Justification for Requirement of Social Security Number (SSN) on DD Form 2088,  
"Statement of Ecclesiastical Endorsement"

This memorandum is written to satisfy the requirement established in the Department of Defense (DoD) Instruction 1000.30, "Reduction of Social Security Number (SSN) Use Within DoD", which requires justification on the collection and use of the SSN on the DD Form 2088, "Statement of Ecclesiastical Endorsement."

The DD Form 2088 is used to officially document an endorsement of a Religious Ministry Professionals (RMP) for application and service in the Military Departments as chaplains from various Religious Organizations in accordance with DoDI 1304.28. The Ecclesiastical Endorsement is written documentation from a religious organization that complies with the administrative requirement of DoDI 1304.28 that an applicant for the military chaplaincy is fully and professionally qualified and endorsed to perform all offices, functions, sacraments, ordinances, and ceremonies required of an RMP for that religious organization, and is capable and authorized to minister as required within a pluralistic environment. Endorsement from the qualifying religious organization verifies: 1. That the RMP is a fully qualified RMP of a religious organization that meets the administrative requirements of DoDI 1304.28; 2. That the RMP is willing to function in a pluralistic environment, as defined in DoDI 1304.28, and is willing to support directly and indirectly the free exercise of religion by all members of the Military Services, their family members, and other persons authorized to be served by the military chaplaincies; 3. That the RMP is educationally qualified for appointment as a chaplain.

A new DD Form 2088 shall be required at each change of career status, as defined by the Military Departments, to re-endorse the qualifications of the chaplain. The loss of ecclesiastical endorsement requires the chaplain to either seek another ecclesiastical endorsement within the time frame allotted by the Military Department involved, apply for non-chaplain duties with the understanding that the officer shall be discharged voluntarily as a chaplain on one day and appointed in a non-chaplain capacity on the next day, apply for voluntary retirement if eligible, or tender a voluntary resignation.

The use of the Religious Ministry Professional or Chaplain's SSN meets acceptable use (13) other cases as it is: 1. the connection of the individual's Religious Organization to the individual's personnel military record, 2. the only individual personnel identifier that can be used

in the accession process that sufficiently allows the Chaplaincy's to enter the data document in an applicant's file for future accessioning, 3. utilized to do cross checks of the SSN on the DD 2088 with original documents provided in the application for the Chaplaincy. The form is sent to an identified ecclesiastical endorsing agent for verification. Use of the SSN ensures that individuals with the same or similar names are distinguished in military records and record keeping with military personnel systems and that the correct endorsement certifies the specific chaplain. The SSN cannot be truncated without the risk of misidentifying the RMP or chaplain. There are no other known unique identifiers for this purpose.
