Date: October 7, 2014

HRSA is requesting to remove the ninety-five (95) Title X grantees that were added to this information collection now that The Office of Population Affairs (OPA), Office of the Secretary, Department of Health and Human Services has their own OMB approval/number.

The ninety-five (95) Title X grantees were added as respondents in a previous non-substantive change. Due to the urgent nature of OPA's data collection

We are requesting OMB's approval to this non-substantive change request to remove Title X grantees (total 95 respondents) to our existing HRSA forms to collect data on outreach and enrollment.
