Form Approved OMB No. 0920-1011 Exp. Date 03/31/2017

Appendix II: Questionnaire for Family Interview

Public reporting burden of this collection of information is estimated to average 20 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information including suggestions for reducing this burden to CDC/ATSDR Reports Clearance Officer; 1600 Clifton Road NE, MS D-74 Atlanta, Georgia 30333; ATTN: PRA (0920-1011)

Please note that this questionnaire has 17 pages and contains 8 parts:

Part A: Demographic information about the patient

Part B: Summary of patient's neurological admission, including history of preceding respiratory symptoms

Part C: Review of child's general health

Part D: Child's surroundings and household contacts in the week before illness

Part E: Family and friend visits in the week before illness

Part F: Childcare or healthcare worker visits in the week before illness

Part G: Other information

Date of interview:	(MM/DD/YYYY)	
Name of interviewer:		
Interviewer's institution:		
Primary interviewee (eg mother)):	
Phone number to call:		Home
		Cell
		Other
Secondary interviewee (eg fathe	er):	
Phone number to call:		Home
		Cell
		Other

When initiating the interview, please use the following paragraph:

Hello, my name is	, and I am a	at
the	.	
Along with the Colorado Children's Ho	ospital, Colorado state health departments, ar	nd Centers for
Disease Control and Prevention, we a	re investigating recent cases of patients admit	ted with
neurological symptoms after experien	cing respiratory symptoms. I understand that	your
son/daughter	_ was recently hospitalized. Is that correct?	
I'm calling today to ask if you would b	e willing to answer a few questions regarding	your
son's/daughter's recent illness. It sho	uld take about 15 minutes. We are hoping to	understand more
about what happened around the time	e of the illness. We hope that this will help us	to understand
their symptoms better and the potent	ial causes. Are you willing to speak with me to	oday about this?
Yes: That's great, thank you very mucl	n.	
No: Is there a more convenient time fo	or me to call you back?	
Call back time: Day:	Time:	
No: Is there anyone else in the house	that is able to talk with me today?	
Was consent given? □Yes □No		
Final interview was conducted with:		
Relationship to infant (case patient):

If speaking to the mother, please skip to Person 2, under household contacts
Now I would like to ask you about the people who may have had contact with your child, starting with yourself:
Person 1
Name:
Age: Relationship to infant:
Occupation:
Were you ill in the week before your son/daughter became ill? \Box Yes \Box No \Box Unknown (please ask specifically about respiratory and diarrheal symptoms)
If yes, what kind of symptoms did you have?
If yes, did you receive any treatment?
Household contacts
Could you now please describe the other members of your household, including both adults and children:
Person 2
Name:
Age: Relationship to patient:
Occupation or school/preschool:
Were they ill in the week before your son/daughter became ill? ☐Yes ☐No ☐Unknown (please ask specifically about respiratory and diarrheal symptoms)
If yes, what kind of symptoms did they have?
If yes, did they seek medical care and where?

If yes, did they receive any treatment?
Person 3
Name:
Age: Relationship to patient:
Occupation or school/preschool:
Were they ill in the week before your son/daughter became ill? \Box Yes \Box No \Box Unknown (please ask specifically about respiratory and diarrheal symptoms)
If yes, what kind of symptoms did they have?
If yes, did they seek medical care and where?
If yes, did they receive any treatment?
Person 4
Name:
Age: Relationship to patient:
Occupation or school/preschool/day care:
Were they ill in the week before your son/daughter became ill? \Box Yes \Box No \Box Unknown (please ask specifically about respiratory and diarrheal symptoms)
If yes, what kind of symptoms did they have?
If yes, did they seek medical care and where?
If yes, did they receive any treatment?

Person 5				
Name:				
Age:	Relationship to patient:			
Occupation or school/	preschool/day care:			
•	ek before your son/daughter became ill? about respiratory and diarrheal symptoms)	□Yes	□No	□Unknown
If yes, what kind of syr	nptoms did they have?			
If yes, did they seek m	edical care and where?			
If yes, did they receive	any treatment?			
Person 6				
Name:				
Age:				
	preschool/day care:			
•	ek before your son/daughter became ill? about respiratory and diarrheal symptoms)	□Yes	□No	□Unknown
	nptoms did they have?			
	edical care and where?			

Person 7
Name:
Age: Relationship to patient:
Occupation or school/preschool/day care:
Were they ill in the week before your son/daughter became ill? \Box Yes \Box No \Box Unknown (please ask specifically about respiratory and diarrheal symptoms)
If yes, what kind of symptoms did they have?
If yes, did they seek medical care and where?
If yes, did they receive any treatment?
Part E: Family and friend visits in the week before illness
Were there any other family members or close friends who appeared unwell and who visited the patient in the week prior to onset of illness? Or that you went to visit? Please include children too.
Person 8
Name:
Age: Relationship to patient:
Where did you see them?
Occupation or school/preschool/day care:
What kind of symptoms did they have?
Did they seek medical care and where?

Did they receive any treatment?	
Do you know if they had any ill family members or friends? If yes, please include details in the next person below	□Yes □No □Unknown
Person 9	
Name:	
Age: Relationship to patient:	
Where did you see them?	
Occupation or school/preschool/day care:	
What kind of symptoms did they have?	
Did they seek medical care and where?	
Did they receive any treatment?	
Do you know if they had any ill family members or friends? If yes, please include details in the next person below	□Yes □No □Unknown
Person 10	
Name:	
Age: Relationship to patient:	
Where did you see them?	
Occupation or school/preschool/day care:	
What kind of symptoms did they have?	
Did they seek medical care and where?	

Did they receive any treatment?	
Do you know if they had any ill family members or friends? If yes, please include details in the next person below	□Yes □No □Unknown
Person 11	
Name:	
Age: Relationship to patient:	
Where did you see them?	
Occupation or school/preschool/day care:	
What kind of symptoms did they have?	
Did they seek medical care and where?	
Did they receive any treatment?	
Do you know if they had any ill family members or friends? If yes, please include details in the next person below	□Yes □No □Unknown
Person 12	
Name:	
Age: Relationship to patient:	
Where did you see them?	
Occupation or school/preschool/day care:	
What kind of symptoms did they have?	
Did they seek medical care and where?	
Did they receive any treatment?	

Do you know if they had any ill family members or friends? \Box Yes \Box No \Box Unknown If yes, please include details in the next person below
Person 13
Name:
Age: Relationship to patient:
Where did you see them?
Occupation or school/preschool/day care:
What kind of symptoms did they have?
Did they seek medical care and where?
Did they receive any treatment?
Do you know if they had any ill family members or friends? ☐Yes ☐No ☐Unknown If yes, please continue overleaf
Part F: Childcare or healthcare worker visits in the week before illness
Part F: Childcare of Healthcare worker visits in the week before limess
Were there any childcare or healthcare worker contacts <u>who appeared unwell,</u> in the week before illness? (e.g. babysitter, pediatric provider)
Person 14
Name:
Age: Relationship to patient:
Where did you see them?
Reason for visit:
What kind of symptoms did the visitor have?

Did they seek medical care and where?	
Did they receive any treatment?	
Do you know if they had any ill family members or friends? If yes, please include details in the next person below	□Yes □No □Unknown
Person 15	
Name:	
Age: Relationship to patient:	
Where did you see them?	
Reason for visit:	
What kind of symptoms did they have?	
Did they seek medical care and where?	
Did they receive any treatment?	
Do you know if they had any ill family members or friends? If yes, please include details in the next person below	□Yes □No □Unknown
Person 16	
Name:	
Age: Relationship to patient:	
Where did you see them?	
Reason for visit:	
What kind of symptoms did they have?	
Did they seek medical care and where?	

Did they receive any treatment?
Do you know if they had any ill family members or friends? ☐Yes ☐No ☐Unknown If yes, please include details in the next person below
Person 17
Name:
Age: Relationship to patient:
Where did you see them?
Reason for visit:
What kind of symptoms did they have?
Did they seek medical care and where?
Did they receive any treatment?
Do you know if they had any ill family members or friends? □Yes □No □Unknown If yes, please continue overleaf

Part G: Other information
Is there any other information that you feel may be important or unusual, with regard to your son's/daughter's illness or stay in hospital:
Thank you very much for taking the time to speak with me today. Your interview has been extremely useful and we hope it will help us to better understand the current situation.
We might need to contact you again in the future to ask some more questions about this. Would it be OK if I (or my colleagues) contacted you? □Yes □No
Thanks again, good bye.
