

CDC Work@Health Trainee Technical Assistance (TA) Survey

Introduction to the CDC Work@Health Trainee Technical Assistance Survey

Form Approved
OMB No. 0920-XXXX
Exp. Date: XX-XX-XXXX

Public reporting of this collection of information is estimated to average 15 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Reports Clearance Officer, 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333; ATTN: PRA (0920-XXXX).

CDC Work@Health Trainee Technical Assistance (TA) Survey

Introduction

This survey asks about your participation in and your opinions about Work@Health™ technical assistance. This survey, which should take about 15 minutes to complete, is funded by the Centers for Disease Control and Prevention and is being conducted by the Public Health Management Corporation (PHMC) and RTI International (RTI). PHMC is a non-profit, public health institute located in Philadelphia. RTI is an independent, non-profit research organization headquartered in Research Triangle Park, NC.

Informed Consent

Before you get started, we'd like to give you some more information to help you decide whether you would like to participate.

- This project is funded by the Centers for Disease Control and Prevention. Many parts of this project are being managed by the ASHLIN Management Group (ASHLIN). ASHLIN is a private sector consulting firm with a focus in the area of health and human services based in Greenbelt, MD. They are helping CDC implement the Work@Health™ program. The Public Health Management Corporation (PHMC), a non-profit, public health institute located in Philadelphia, PA is conducting this survey. Other parts of the project are being managed by Research Triangle Institute International (RTI). RTI is an independent, non-profit institute headquartered in Research Triangle Park, NC. RTI provides technical services to clients worldwide. They are helping CDC evaluate the Work@Health™ program.
- You were asked to complete the survey because of your participation in the Work@Health™ Program.
- Your participation in this survey is voluntary. In the course of this survey, you may refuse to answer specific questions. You may also choose to end the survey at any time.
- The survey is designed to take about 15 minutes.
- All of the comments you provide will be maintained in a secure manner. We will not disclose your responses or anything about you unless we are compelled by law. Your responses will be combined with other information we receive and reported in the aggregate as feedback from the group. In our project reports, your name will not be linked to the comments you provide in this survey.
- There are no right or wrong answers or ideas—we want to hear about YOUR experiences and opinions.
- CDC is authorized to collect information for this project under the Public Health Services Act.
- There are no risks or benefits to you personally for participating in this survey.
- If you have any concerns about your rights as a human subject, you can contact Dr. Laurie Cluff. Her toll-free number is 1-800-334-8571 x 6514. If you have questions about your rights as a study participant, you can call RTI's Office of Research Protection and Ethics toll-free at 1-866-214-2043.

CDC Work@Health Trainee Technical Assistance (TA) Survey

We are asking you to complete this survey as part of your participation in the Work@Health™ program.

Your responses will help us to assess the effectiveness of the Technical assistance (TA) support services that were available to all Work@Health™ employee participants following the formal training. Your feedback will help us to improve the future TA.

In this survey, technical assistance (TA) refers to all Work@Health™ online, telephone, and in-person support services that occurred after the formal training sessions ended.

1. Which of the following statements best describes your level of participation in Work@Health™ Technical Assistance (TA) support services?

- I participated in more TA support services than were required *and was able to participate in* as many TA support services as I wanted to.
- I participated in more TA support services than were required, *but was unable to participate in* as many as I would have liked.
- I participated in only the TA support services that were required to meet funding milestones.
- I participated in a few TA support services, but fewer than the required number to meet funding milestones.
- I did not participate in any TA support services.
