## UNITED STATES TRAVELER HEALTH DECLARATION

**DHS should complete this form for EACH traveler.** The information is being collected as part of the public health response to the outbreaks of Ebola. The information will be used by U.S. public health authorities and other international, federal, state, or local agencies for that purpose. The legal authorities for this collection are sections 311 and 361-368 of the Public Health Service Act.

NOTE: While cooperation with CDC during this proposed risk assessment is voluntary, if an individual refuses to provide the requested information, or is not truthful about the information provided during screening or an illness investigation, CDC may, if it is reasonably believed that the individual is infected with or has been exposed to Ebola, quarantine, isolate, or place the individual under surveillance under 42 CFR 71.32 and 71.33.

Traveler's Information:		
Ebola outbreak countries been in during last 21 days:		
Last (family) name:First (given) name:

DHS Action Taken DHS Officer's Name:	Airport C	ode:
Referred to CDC OR Gave traveler tear sheet, CDC health materials,	AND R	eleased traveler

Public reporting burden of this collection of information is estimated to average 15 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB Control Number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Reports Clearance Officer, 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333; ATTN: PRA 0920-0821.
